Hi everyone

Apologies - me again!

Included in your class folders (quite near to the front) there is a sheet relating to **extra-curricular clubs**. Please do let me know if you'd like to run one as there is money to pay supported study rates.

I've had an email from SLC regarding the sporting fixtures for this year and wondered if anybody would be interested in running Sports Hall Athletics, attending 3 events in EK in late November & early December?

Also, would anybody be interested in running **clubs** relating to cross country and track & field with two events (one in March and one in May)?

Please let me know if you are interested.

Thanks

Dawn
