Good afternoon all

Thank you to those who joined our first **Sharing** Best Practice session last night - and especially to Fiona and Lisa for **sharing**! We have staff willing to lead November and December's sessions - however we can fit more people in if you have the urge to share!

In order to provide sufficient time to source and in invite potential guest speakers for Term 3 I am keen to seek the views of staff on what subjects you may wish to hear about. I will collate these using Mentimeter. Please click on the link below or use the QR code to provide no more than 3 areas that you feel would be of interest to you and your colleagues. This is anonymous and should take no more than 60 seconds to complete - just try to be specific and concise!

This is open to all teaching staff, please feel free to complete even if you are not able to attend any of the sessions in Term 2.
