Good afternoon all

A little reminder that the time is approaching for our second 'Sharing Best Practice CLPL' and some advanced notice of the third and final session before Christmas!

Session 2: Thursday 16th November (Room 9)

Rachel Thomson will be sharing ways in which she has used ICT to enhance the teaching and learning within her classroom. During the session she will demonstrate how pupil engagement has develop when using Plicker as well as sharing a couple of other websites / apps that can easily be used within your own classroom!

Sam Kelly will also lead on the Lego Explore resource that we current have on loan from Gilian Reilly - Primary Science Development Officer. She will share ways in which she has used he resource within her classroom and if you ask nicely you may even have the chance to try it on the day!
