Hi everyone

A huge thanks to Lisa P. for organising the rebranding of the Swap Shop **Shed** and setting up the Lending Library **Shed**.

The following information has been posted on the app.

Sustainability **shed** and lending library **shed** information.

Sustainability **shed** and lending library **shed** information.

*We are excited to announce the launch of Kirklandpark's lending library. From Friday 7th of March, the school will have it's own free lending library available for all pupils from nursery to Primary 7. The lending library will be available for pupils to take a book home, share with their family and return to the lending library when they are finished. This is a great opportunity to extend children's reading skills, their access to a variety of book genres and develop a love of books. A lending library also helps our planet: items can be reused repeatedly, as a library book would, so there's less waste being sent to landfill and as a community we become more sustainable.*

*If you would like to donate any suitable books to our lending library, then please hand them into the school office.*

*After the success of the Swap Shop **Shed**, we have decided to rebrand the **shed** as a Sustainability **Shed**. From Friday the 7th of March this **shed** will focus solely on nursery and school uniforms. As a way of helping reduce the cost of the school day, reuse and recycle clothing and of course becoming more sustainable we will be filling the **shed** with nursery and school uniforms. These items are free for you to take.*

*If you would like to donate any school clothes to our sustainability **shed**, then please hand any items into the school office.*

Thanks

Dawn
