Good morning,

I hope you are all well.

Just a quick email to share some good news 😊 I received an email from Donna Carrigan and the Attachment Accreditation Team to say that we have successfully achieved our first two pledges. We will be receiving our Attachment jigsaw piece for "Act to Make a Difference" and "Hear Our Voice" before the summer holidays.

I just wanted to thank our KP team for all your hard work this year and look forward to seeing how we will be moving forward in our journey towards our third pledge "See the Whole Person". I have attached a summary of the feedback provided by the accreditation team below, as it's always nice to hear that our efforts are valued and appreciated.

*"Your evidence was outstanding in terms of both content and the way it was presented. It was very easy to follow and an absolute joy to read. We got a real sense of what Kirklandpark is like and how dedicated you are to embedding attachment informed, trauma sensitive practice. We can clearly see that you are very committed to the health and wellbeing of pupils, staff and families. Congratulations!"*
