Subject: RRSA Bronze application - Kirklandpark

Dear Scott

Thank you for sending your Silver Action Plan as evidence for Bronze accreditation, to Steven – he has passed this on to me as the Professional Adviser for South Lanarkshire.

Congratulations I am very happy to award Kirklandpark Primary School with Bronze: Rights Committed.

This is the first stage of the Unicef UK's Rights Respecting Schools Award (RRSA). Please pass on my congratulations to all children, young people and adults involved so far.

You will shortly receive an official email from our head office which carries the Bronze: Rights Committed logo. You can use this around school, on headed paper, newsletters, your website and social media sites etc. Your certificate will be printed and sent in the post. Please let us know if either does not arrive.
