

PLAYGROUND PALS

PLAYGROUND ACTIVITY LEADERS

The Playground PALS can be spotted wearing brightly coloured bibs in the playground. Their aim is to ensure that everyone feels included during break and lunchtime. They help to plan and organise games that engage the younger children and encourage teamwork, physical activity, and fun.

The Playground PALS assist and guide the children in following rules, promoting positive social interactions, and helping those who may need extra support in the playground.

Playground PALS are trained in Peer Mediation and can help resolve conflicts. They can help when handling disputes or misunderstandings between children in a constructive way, ensuring everyone is treated fairly and respectfully. They know there is always adults there to help too!

HAVE FUN, BE SAFE AND BE KIND.
