

November

Law Primary School and ELC Newsletter

Welcome to our November newsletter. We hope you enjoy finding out about what has been happening in school and what we are looking forward to.

Thank you for staying informed and engaged in the vibrant life of our school and community! If you have any questions or suggestions, let us know.

WHAT'S ON IN LAW VILLAGE?

The Christmas Light switch on will take place on **Friday 28th November 4pm - 6pm** at Law Cross.

There will be a selection of stalls, tombola, crafts, singing, teas and coffees. We hope to see you there!

CLUBS

We are delighted to offer a range of lunchtime and after school clubs:

Monday: P6 Netball
P1-3 Games
P4-5 Multisports
P4-7 choir

Tuesday: P7 Netball
Upper school cross country

Wednesday P6-7 Football

YOUR VIEW MATTERS

We are always looking for your views on what we do well at Law Primary and ELC, what we could improve on and how you can help us improve. If you would like your say, please scan the QR code and complete the Google form.

Children In Need

Thanks to Rooms 10 and 11, alongside Mrs Roesia Nelson and Mrs Lynn Gibson, we had a fabulous turn out for our Children in Need day on Friday 14th November. We took part in a cereal box domino session and children dressed down and wore spots! As a result of your fabulous support and donations, we raised £183.62 for Children In Need and donated 274 cereal boxes to Carluke Food Bank.

#wearelawesome

School Improvement Plan

There are a number of significant improvements we are making this year as we continue to build an excellent school and ELC.

Our priorities are:

- VCPA Maths and Numeracy approaches
- Writing Moderation
- STEM
- Learning for Sustainability

Upcoming Projects and Initiatives

VCPA

Staff are taking part in VCPA maths and numeracy training through SLC and are beginning to build the related resources and teaching approaches within their classrooms. In partnership with staff, Miss Vickers is building Law Primary School's Numeracy Strategy.

STEM

We are in the process of auditing our STEM resources to create a STEM room to support science, technology, computing science and digital literacy.

Writing Moderation

Alongside schools and nurseries in Carluke Learning Community and Carluke High school, we are creating a shared planner to help assess and support the teaching of writing from nursery to high school.

Learning for Sustainability

Our school community are aware of the UNCRC and children's rights. All pupils are participating in global citizenship and sustainability projects. We are working towards our silver Rights Respecting Schools award.

Christmas Support

As always, we are continuing to support families within our local community this Christmas. We are desperate for donations of non-perishable food, new clothing and new toys/games. If you are able to, please give generously by handing items in to the school office.

If you would like to receive support, please contact Mrs Bone on dhtlawps@glow.sch.uk. All requests are dealt with confidentially.

School website

We are currently working on our school website and will look at launching this before Christmas.

Here you will find all relevant information about the school and your child's learning.
