LEARNING ACROSS THE CURRICULUM

We will be learning...

- we will be developing our **STEM skills** this term through engaging in STEM challenges and using Makedo tools to create models using cardboard. If you have any clean cardboard boxes we could use for our projects we would be very grateful for any donations.
- Through the theme of the **Winter Olympics**, we will be exploring other countries, means of travel to these countries and the environmental impact of different transport methods. We will compare the weather, culture and lifestyle of another country with our own life in Scotland.
- We will also be taking part in the **Bodyworks** project which is offered by Glasgow Science Centre. We will be learning about our digestive system, our heart and lungs.

STAFF	PE	OUTDOOR LEARNING	OUR RULES & VALUES
<p>At the moment, Miss Vickers is our class teacher and Miss McLaren teaches us on a Wednesday morning. Mrs Wheatley also supports our class on a Tuesday afternoon.</p>	<p>Our PE days are a Wednesday (outdoor) and a Thursday (indoor).
