📍 Lawhill Rad, Law, Carluke

Thank you to Law Boxing club who kindly donated wet suits for our ELC learners.

Our Primary 7 litter pick raised £780 towards our hoodies!

Some Primary 1 parents participated in the Multiply (You + Me) family learning opportunity. Parents developed their child's mathematical skills at home in a way that complements the school's teaching approaches. There was a focus on developing an understanding of number structure and number sense, addition and subtraction as well as the early stages of multiplication and division. The importance of having a Growth Mindset was also explored throughout the sessions. Look out for other opportunities to take part.

Room 4 went on an outing to the Science Centre. They had a brilliant time interacting, taking part in Science experiments and learning new science skills. They were an absolute credit to the school - well done!

Our ELC learners have been creating seasonal snowflake art work using loose parts.

We are very thankful to Jim Moffat and Iain Morrison from Law Masonic. They handed in a VERY generous donation of £200 towards our Carluke Gala Day Entry. This will help keep costs down for our families.

Our fabulous Parent Council have issued entry forms towards this year's entry in June. If you would like your child to take part, and support our Gala Court members, Moyra, Arianna and Adam please complete the instructions as soon as possible.
