Transition Update

Dear Parent/Carer,

We are very excited to welcome you to our transition programme *Journey to Lesmahagow* and to our learning community. I am aware that your focus will currently be your child's primary education, but I wanted to provide some information on our transition and share some key dates with you so that you are aware of future events for both you and your child.

To date, P7 pupils have engaged with various events, including our cross-country competition and Science and Maths visits. We have many more scheduled for the remainder of the year, which we hope will help all P7 pupils become more familiar with Lesmahagow High School and our staff.

Please find below key dates for your diary in 2025:

- Virtual Information Evening 1 – Wednesday, 15th January 2025 at 6pm
- Virtual Information Evening 2 – Wednesday, 19th March at 6pm
- P7 Two Day Visit – Tuesday, 10th and Wednesday 11th June, 2025
- Parent Information Evening (in school) – Wednesday, 11th June 2025 at 6:30pm

For some young people, an Enhanced Transition event will take place in April, which primary schools will inform parents/carers of, if required for your child. Our Support for Learning department will also liaise with primary staff and families around this event to ensure all needs are met.

Please take the time to look thorough our P7 Transition Booklet and do not hesitate to contact me if you have any questions or concerns.

Joining instructions for Wednesday, 15th January's meeting can be found overleaf.

Kindest regards,

David Robertson
Depute Head Teacher

Additional Information

Joining Information

This event will be delivered through **Google Meet**, which is a platform most of our young people are familiar with. We advise that if you are attending, that you check that you can join a Google Meet from your device or email account beforehand. If you wish to create a Gmail account to make this easier, please follow the link below:

[Gmail Registration](#)

Google Meet App

If you are accessing the meeting through the app version of Google Meet, open the app and click on 'meeting code'.

You will need to enter the meeting code, which is shared below.
