Dear Parent/Carer,

Photography and Video Permission

At Lesmahagow High School, we take pictures and videos of our pupils throughout an academic session. We use these images for a variety of reasons such as educational purposes, school displays, school promotional material and to celebrate pupil success and achievement, which includes sharing these on social media (Twitter/X and Bluesky) and the school website.

If you do not wish your child's image to be used in and shared by the school, please let me know in writing, addressed to myself, clearly stating that you do not want your child to be photographed or videoed. We are required to update this information annually.

If you wish to change this agreement and subsequently give permission, then you can do so at any time.

Yours sincerely,

Barbara A. Lee
