**P Sutton Trust Summer School Opportunity**

The University of Glasgow is continuing their partnership with the Sutton Trust to run the Sutton Trust Summer School from Monday 29 June – Friday 3 July 2026. The Sutton Trust is a Widening Access charity that aims to support university entry for young people who face additional challenges in their education.

The Sutton Trust Summer School (STSS) is a residential programme designed to give pupils a taste of university life. The young people will work online at home on Monday 29 June before travelling to campus on the Tuesday morning, where they will stay until the afternoon for Friday 3 July. All costs, including accommodation, travel, and food, are covered by the Sutton Trust and the University of Glasgow.

There are four streams, and pupils can apply for one, related to the subjects they are most interested in studying at university. These are Arts & Social Sciences, Medical & Life Sciences, Engineering, or Common Law. Please note that Common Law is only available for pupils based in Northern Ireland, England, or Wales. The eligibility information for the programme can be found on the Sutton Trust website: <https://summerschools.suttontrust.com/eligibility/>.

**P Windfarm Connect2 Renewables Employability Fund – S4-S6 pupils**

The following information about the Windfarm Connect 2 Renewables Employability Fund has been shared with S4-S6 pupils and posted in S4-S6 Google Classrooms:

Due to your proximity to the Kype Muir and Middle Muir windfarms, if you plan on leaving at the end of this school year, you could be entitled to up to £500 (if going to college/university) or £200 if going into employment/apprenticeship.

This is a grant payment that does not need to be paid back. The only real requirement is that you live within the required postcode areas.

I would encourage you all to apply if eligible - it is free money that could be really useful as you start your post-school journey.

To apply, you really just need to complete a form but you won't receive the money until you start college/university as they will need to see your student card. You can make enquiries now though by contacting: [connect2renewables@southlanarkshire.co.uk](mailto:connect2renewables@southlanarkshire.co.uk) or telephone 0800 9520 070.

**J Mallaghan**

**P Homework**

Homework will be shared using Google Classroom. Please make sure you are a member of all your Google Classrooms, including your Year Group Google Classroom.

**LA Cimmino**

**P Young Scot Card and Free Bus Travel**

If you need a new Young Scot Card, or still have to renew your card to access free bus travel, your Tutor teacher can give you a form to complete, which will allow us to apply for your card on your behalf. Completed forms should be returned to Miss Fletcher or the School Office. Please see Miss Fletcher if you have any questions about accessing free bus travel.

**P EMA – S5/6**

EMA application forms can be completed on the South Lanarkshire Council website. On the Council website, click on 'Education and Learning', then 'Secondary School Information', then 'Education Maintenance Allowance'. If you need any help with this, please see Mr Robertson or your Pupil Support Teacher.

It is your responsibility to complete and send the application form.

When you receive an award letter with your EMA number on it, bring this to Mr Robertson who will then issue a copy of the Learning Agreement to be signed by your teachers and Parent/Carer. You should then return the completed Learning Agreement to Mr Robertson and the school office will then process your EMA.

Only when you have completed all of the above will the payment process begin. Please see Mr Robertson if you have any questions about EMA.
