

Chapter 25 – The Nothingness

L.I. I can discuss visual images.

This chapter is very descriptive with the events going on in the Emporium.

Choose 3 similes from this chapter. Write each simile out and explain why it is effective in creating a picture in your mind. Could you create a simile of your own to describe the event happening?

Chapter 26 - An Unexpected Visitor.

L.I. I can create a character profile.

In this chapter we are introduced to a new character, Michelle Sharpe. Create a character profile for Michelle, include as much information as you can, including information you have picked up using your inference skills. Draw a picture of what you think she looks like and write information about Michelle around the outside of your picture.
