

Chapter 31- Memorium

L.I. I can build a picture using information from the text.

Daniel and Ellie visit a very unusual cinema in this chapter.

Draw a picture to show the how the film is shown and what the usher looks like.

Add as much detail as you can and write the quotes around the outside of your picture.

Chapter 32- Silver's Secret

L.I. I can use inference skills.

1. Why do you think the secrets in the glass domes look different?
Try to explain your answer fully.
2. Why do you think Daniel can't break Mr Silver's globe? Who do you think could break it?
3. Why do you think Daniel was upset when he realised that he wouldn't grow old at a normal rate? Do you think he was right to react like this?

L.I. I can show an understanding of the text.

1. What did Ellie and Daniel need from Sharpe to help them find out the secret?
2. How many times has Ellie turned 12?
3. Why did Mr Silver let Ellie grow up but not too much?
