

Chapter 35 – The Challenge

L.I. I can show my understanding of the text.

1. Daniel thinks he knows where Mr Silver has gone. He says there was a clue in the film. Look back at the previous chapter, where do you think Mr Silver has gone? Give a reason for your answer.
2. Why do you think Daniel chooses to challenge Mr Sharpe? Do you think this is the best option?
3. What challenge do you think Daniel will set Mr Sharpe? Explain your reason.
4. What challenge do you think Mr Sharpe will set Daniel? Give reasons for your choice.

Chapter 36 – Daniel versus Vindictus

L.I. I can discuss a character.

Choose either Daniel or Vindictus. After reading this chapter, write a paragraph explaining what you know about them. How did they cope in their challenge? What does this tell you about their personality? What challenge did they choose for the other person? What does that tell you about them? Look at their reactions throughout the chapter, use this to build up a description of them. Look at their interactions with others, discuss this too.

Chapter 37- Pages in the Wind

L.I. I can give a personal response to a book.

The story comes to an end in different ways for these characters. How did you feel about the ending? Do you understand why Daniel was conflicted about taking on the Emporium? How do you think Ellie feels with everything that happened? What about Mr Silver, was this the right ending for him?

Write a review for the ending of the book. Was there anything you would change? In what way would you change it? Would you recommend this story? How did it make you feel? Who was your favourite character, say why?

Challenge:

Can you re-write the ending?
