

Babysitting

This table shows the times Janine has babysat during November.

November					
Name	Date	Start time	Finish time	Total time	Money earned
				Rounded up	
Hunter	06.11.95	18.00	21.30		
Stephens	08.11.95	17.30	22.45		
MacLeod	10.11.95	09.45	12.37		
Jones	10.11.95	20.15	00.15		
Hunter	15.11.95	09.00	15.21		
Hunter	16.11.95	09.00	20.18		
MacLeod	21.11.95	16.40	17.54		
Jones	27.11.95	17.15	23.17		
Jones	28.11.95	17.15	23.55		
Hunter	30.11.95	08.30	14.36		
Total earnings					

❖ Complete the table by working out how long each job took and how much Janine earned.

She charges £2.50 per hour plus 50p for each extra quarter hour.

All times are rounded up to the nearest quarter hour. For example, if she worked 2 hours 17 minutes she would charge for 2 hours 30 minutes.

❖ How much did each family pay?

• Hunter _____ • Stephens _____

• MacLeod _____ • Jones _____

❖ Which family is her best client?

Why? _____
