1. Introduction

South Lanarkshire Council is the fifth largest authority in Scotland. It covers the following main areas; Clydesdale in the south which features extensive rural areas, Cambuslang, Rutherglen, Blantyre and Uddingston to the north as well as the towns of East Kilbride and Hamilton. The Council's Plan Connect sets out the Council's vision which is, "to improve the quality of life for all within South Lanarkshire". For Education Resources this means delivering services of the highest quality as well as striving to narrow the gap. It is about continually improving the services for everyone at the same time as giving priority to children, young people, families and communities in most need. The priorities for schools and services are set out in the Education Resources Plan which confirms the commitment to provide better learning opportunities and outcomes for children and young people. Settings are proportionate and appropriate.

Head Teacher Welcome

On behalf of our pupils, staff and families I would like to extend a very warm welcome to Murray Primary School. We are delighted that your child will attend our school and we look forward to working in partnership throughout your child's education. This handbook is designed to help you and your child become part of the school and settle in with ease.

Our School Building and School Context

Murray Primary School is a non-denominational primary school situated within The Murray area of East Kilbride in South Lanarkshire. We provide education for pupils aged 4 to 12 years from Primary 1 to Primary 7. Our school building has 2 floors and comprises 7 mainstream classes, 4 classes within our Additional Support Needs (ASN) Base and a large Nursery Class. Pupils aged 3 to 5 years attend our Nursery Class. We currently have 213 pupils in our school and 39 pupils in our Nursery. Our school is part of the Calderglen Learning Community.

Murray Primary School is a new school building which opened in June 2012. Our state-of-the-art school building is designed for learning in the 21st Century. Accommodation and learning areas within the school building include an outdoor play area for our Nursery pupils, Classrooms, Break Out areas, Gym/Assembly Hall with stage, a Dining Hall with outdoor picnic tables and a “Chill Zone” to provide pupils with an area to meet their needs for sensory, therapeutic or energetic play. Our extensive school grounds include a Multi-use Games Area and known as our MUGA pitch. This is timetabled for Outdoor PE, playtimes and lunchtimes and After School Clubs. Our Senior Playground is for pupils from P4 to P7. This provides a vast playground area and has a range of “Trim Trail” play equipment, a Garden Area, an Outdoor Classroom and a Picnic Area.

Our Infant Playground is for pupils from P1 to P3. Just beyond the perimeter of our school grounds in the Senior Playground there is a gate to a Forest Area which we have access to. We are able to use this area for Outdoor Learning and Forest Schools sessions. Our 4 Infant classrooms for Primary 1 to 3 pupils benefit from an outdoor classroom area adjacent to each classroom providing an enhanced learning environment.

Our school building and extensive grounds enable us to provide different environments to provide a wide range of enhanced learning experiences for our pupils.

3. Parental Involvement

South Lanarkshire Council recognises the importance of parents as partners in the education of their child and has published a strategy entitled, 'Making a difference – working together to support children's learning'. This is available from the Council's website:

www.southlanarkshire.gov.uk/downloads/file/13457/parents_as_partners_-_strategy_2019

Parents, carers and family members are by far the most important influences on children's lives. Research shows that when parents are involved in their child's learning, children do better at school and throughout life. Parental involvement can take different forms but we hope you share the same aims and agree that by working together we can be partners in supporting children's learning.

As parents/carers we want you to be:

- Welcomed and given an opportunity to be involved in the life of the school;
- Fully informed about your child's learning;
- Encouraged to make an active contribution to your child's learning;
- Able to support learning at home;
- Encouraged to express your views and involved in forums and discussions on education related issues.

To find out more on how to be a parent helper, or a member of the Parent Council and/or the Parent Staff Association please contact the school or visit our website.

Some useful information contacts for parents to find out more on education are as follows:-

4. School Ethos

Our school vision “**Learning Together, Achieving Forever**” is aspirational with a focus on improving outcomes for all. We are committed to our mission of “**Making Murray Marvellous!**”

Our core values are;

Inclusion Respect Kindness Friendship Honesty Ambition Achievement

Our Aim is for everyone in our school community to be successful learners, confident individuals, responsible citizens and effective contributors to society. We place a high value on nurturing our inclusive and positive ethos. We encourage the participation of all, value and embrace diversity. We pay very close attention to the care and welfare needs of all of our children, their families and our staff. We are a happy, active, supportive and hardworking staff who aim to ensure that all children achieve to their maximum potential.

Throughout the school we ensure that we focus on positives by utilising a range of strategies designed to promote positive relationships. We use strategies such as Restorative Practice to enable children to resolve any disputes. We ensure that regular teaching and dialogue which relates to responsibilities, awareness of others and tolerance, support the developing awareness within our pupils of the need to consider ourselves and others within a working school community. This foundation allows pupils to feel secure within Murray Primary, to have good relationships with others and to learn and achieve to the very best of their abilities.

The children at Murray Primary are highly motivated to learn and achieve. To foster this high level of motivation we ensure that pupil achievements within the classes are recognised through a range of approaches including classroom reward incentives, displays, reporting to parents and carers, weekly awards presented at Assembly. Our pupils are delighted when staff praise and recognise their efforts at a very personal level.

Murray Primary is a highly motivated school where the principles of Curriculum for Excellence and Getting it Right for Every Child are embedded in our practice. Our core values are promoted through all relationships and within our curriculum. We promote positive relationships within the school and foster an ethos which encourages all pupils to respect themselves and others. We place a very high value on nurturing our inclusive and positive ethos which encourages the participation of all and which values and embraces diversity.

We closely track and monitor pupil achievement and attainment. The achievements of our pupils both in school and outwith school are celebrated at whole school weekly assemblies. The children are encouraged to share their wider achievements and we ensure achievements are made visible to all and celebrated in school. Our pupils are very proud of their achievements and are keen for photographs to be shared in school and on our school Twitter feed. All pupils have opportunities to engage in wider opportunities to enhance their school experience and develop their skills and talents.

Whole school and class reward systems and praise are used effectively to enthuse and motivate learners, giving them rewards for achieving success. We have a House system which fosters a strong sense of community throughout the school. The House system encourages pupils to take on leadership roles and work collaboratively on projects and is a key part of our school rewards system.

We make every effort to engage with local community groups and encourage their participation in school events and projects. We are further supported by a range of community partnerships we have with local shops and business partners, Community Police, Fire Service, East Kilbride Central Library and Active Schools. We ensure that these links enable us to enhance our curricular experiences for our pupils.

5. The Curriculum

Curriculum for Excellence is the name given to the curriculum in Scotland for all children and young people aged 3-18. It is a forward looking, coherent, more flexible and enriched curriculum that provides young people with opportunities to engage with the knowledge, skills and attributes they will need to flourish in life, learning and work, now and in the future.

The curriculum includes all of the experiences that are planned for children and young people to support the development of their skills, wherever they are being educated, for example in the family and community, pre-school centre, nursery and school. This broad, general education will allow them to become successful learners, confident individuals, responsible citizens and effective contributors to life in the 21st century.

In taking this forward our school will work closely with South Lanarkshire Education Resources and other services to enrich the curriculum, to provide the best possible education for all children and young people. We wish you to feel confident that your child is encouraged and supported to develop their literacy, numeracy and other skills whilst they attend our school. The curricular areas are as follows;

- Expressive Arts
- Languages and Literacy
- Health and Wellbeing
- Mathematics and Numeracy
- Religious and Moral Education
- Science
- Social Studies
- Technologies

If you want to know more about Curriculum for Excellence, please visit [Scotland's Curriculum for Excellence \(scotlandscurriculum.scot\)](http://scotlandscurriculum.scot)

Our learning and teaching activities are based on the outcomes and experiences in the guidelines that all schools have for Curriculum for Excellence.

Level	Stage
Early	The pre-school years and Primary 1 or later for some
First	To the end of Primary 4, but earlier or later for some
Second	To the end of Primary 7, but earlier or later for some

At Murray Primary our Class Teachers plan for all aspects of each child's learning based on the experiences and outcomes within the subject areas of Curriculum for Excellence. Teachers also plan for aspects of learning as part of interdisciplinary learning topics, where the pupils cover aspects of learning from several subject areas. Learning across the ethos and life of the school and covering opportunities for personal achievement are built into the regular planning structures undertaken by class teachers. Throughout our curriculum we provide opportunities for our pupils to develop skills for life, learning and work and set learning within real life contexts. Our pupils have opportunities to prepare and present their learning at special assemblies, attend trips and outings to enhance their learning and represent our school by participating in sporting festivals and tournaments.

Spiritual, social, moral and cultural values (Religious Observance)

Scottish Government Ministers consider that religious observance complements religious education and is an important contribution to pupils' development. It should also have a role in promoting the ethos of a school by bringing pupils together and creating a sense of community.

Parents may request that their children be permitted to be absent in order to celebrate recognised religious events. Advance notice should be provided to the school when children will be absent. Appropriate requests will be granted and the pupil noted as an authorised absentee in the register.

6. Assessment and Tracking Pupil Progress

Assessment within Murray Primary takes a variety of forms. Class teachers plan and assess pupil progress on a daily basis. This assessment is based on the learning intentions and success criteria as set out in the Learning and Teaching plans. The teacher will assess what the children say, make, write or do. This ongoing assessment allows the teacher to know how best to help each child with their learning and what to plan for their next steps. Feedback is provided for children either verbally or in written form. The class teacher keeps records of this ongoing assessment. From time to time the teacher will want to check up on a key aspect of learning for example at the end of a concept or area covered, at the end of a level or when they believe an outcome has been achieved. Again, the teacher will plan this assessment and decide how best the child can demonstrate achievement. At these key points, the teacher will record the child's progress and gather evidence of achievement. Teachers will also use this information to continue to plan for next steps in learning. Assessment may

focus on learning associated with one key aspect of learning, or may focus on a child's achievement in more challenging or unfamiliar situations which require the child to draw together their learning and transfer skills from one situation to another.

Regular and continuous formative assessments, planned standardised assessments throughout the year and teachers' professional judgements based on the benchmarks inform us of attainment and achievement of all learners in Murray Primary School. Annual standardised assessments are carried out in primaries 2 to 7 and baseline assessments completed in Primary 1. This provides further information to supplement professional judgement.

Through the careful approach to record keeping of assessment, specifically within core subjects of Literacy and Numeracy & Maths, each child's progress is tracked to ensure appropriate progression in learning. Each teacher meets termly with a member of the Senior Leadership Team to discuss each child's specific progress within core subjects and more generally across all curricular areas. Some pupils have their learning planned for them on an individual basis within an Additional Support Plan. Where this is the case, the child's progress is monitored each term.

7. Reporting

We provide parents with a pupil report annually so that you can see what your child is doing and how they are progressing. In addition, there will be parents' meetings which offer you the opportunity to discuss how your child is progressing and how you can contact the school if you wish further information. The school will offer you an appointment time so that you can visit in person to discuss your child's education.

Our 'pupil reports' will help you to get to know more about the curriculum which each child follows and will describe their strengths, achievements and areas for development so you know what encouragement and support you can give.

In Scottish Primary Schools pupils in P1, P4 and P7 participate in Scottish National Standardised Assessment programme. Pupils complete online standardised assessments in literacy and numeracy.

We welcome any comments or additional information from parents to help us provide the best possible education for your child.

8. Transitions

Pupils normally transfer from primary to secondary school between the ages of 11½ and 12½, so that they will have the opportunity to complete at least 4 years of secondary education. Arrangements are made by the school to transfer children to the associated secondary school as determined by their home address. Parents of P7 children will be informed of the transfer arrangements made for their child to attend secondary school.

We will also provide you with information at this time and on events designed to let P7 children visit the secondary school, meet up with other P7 children from other schools so that the transition period is as smooth as possible.

Normally children attend the school in their catchment area. However, there are times when parents may wish their children to go to other schools. If you wish your child to go to another school then you may make what is known as a 'placing request'. If you live in South Lanarkshire and decide to submit a 'placing request', we are unable to reserve a place in your catchment school until the Council have made a decision on the 'placing request'. Please note if your 'placing request' application is unsuccessful and all places at your catchment school are filled you will be offered a place at the next nearest appropriate South Lanarkshire School.

Change of School/Placing Request

Normally children attend the school in their catchment area. However, there are times when parents may wish their children to go to other schools. If you wish your child to go to another school, then you may make what is known as a 'placing request'. If you live in South Lanarkshire and decide to submit a 'placing request', we are unable to reserve a place in your catchment school until the Council have made a decision on the 'placing request'. Please note if your 'placing request' application is unsuccessful and all places at your catchment school are filled you will be offered a place at the next nearest appropriate South Lanarkshire School.

Please note that if an application for a 'placing request' is successful then school transport is not provided.

If you move outwith your catchment primary school a 'request to remain form' must be completed. If you move outwith your catchment primary, this may affect your right to transfer to the associated Secondary School. Please note the secondary school is determined by the pupil's permanent home address and chosen denomination. If you require further information, please contact Education Support Services on edsupportserv.help@southlanarkshire.gov.uk or **0303 123 1023**.

9. Support for Pupils

Getting it right for every child.

Getting it right for every child (GIRFEC) supports families by making sure children and young people can receive the right help, at the right time, from the right people. The aim is to help them to grow up feeling loved, safe and respected so that they can realise their full potential.

Most children and young people get all the help and support they need from their parent(s), wider family and community but sometimes, perhaps unexpectedly, they may need a bit of extra help. GIRFEC is a way for families to work in partnership with people who can support them, such as teachers.

If you have any concerns about your child's wellbeing, you can speak to the named person who will work with you to provide support and decide how to move forward. Your school will let you know who this is. In Murray Primary School this is the Head Teacher.

More information can be found on:
www.scotland.gov.uk/gettingitright

Support for All (Additional Support Needs)

A statement of the school policy in relation to pupils with additional support needs, including the assistance given to pupils experiencing learning difficulties who do not have a co-ordinated support plan should be given.

The range of additional support for learning catered for, and the specialist services provided along with details on unit(s) and/or class(es) that the school offers.

South Lanarkshire Education Resources have published a series of leaflets available which cover information for parents and carers about the Additional Support for Learning Acts.

In keeping with duties set out in the Education (Additional Support for Learning) (Scotland) Act 2004 (as amended) the guidance states that handbooks should specifically mention Enquire, the Scottish advice service for additional support for learning.

Enquire is funded by the Scottish Government to provide information on the framework for supporting children who require additional support for learning and to encourage positive partnerships between families, schools and local authorities to ensure children get the right support.

Enquire: The Scottish advice service for additional support for learning

Enquire offers independent, confidential advice and information on additional support for learning through:

Attachment Strategy for Education Resources

Attachment – what we do to support children and young people

South Lanarkshire Council Education Resources is committed to improving outcomes for children and young people by creating emotionally supportive learning experiences in our nurseries and schools.

The Education Resources Attachment Strategy supports the action in the 'Getting it Right for Every Child in South Lanarkshire's Children Services Plan 2021-23', following the launch of the Attachment Strategy in 2020, to provide staff training in Attachment and Trauma based practice.

What it sets out to do?

The aim of the strategy is to promote better experiences of attachment for South Lanarkshire's children and young people and to ensure that all education practitioners understand the importance of attachment theory and its application and how positive relationships can make a difference to outcomes.

How can I find out more?

South Lanarkshire Council Education Resources have published a series of leaflets and posters for establishments and for parents/carers which aim to share information on attachment theory and on how this informs the ways in which we support children and young people.

These are available in schools and on the SLC Staff Learning Centre Sway accessible by teachers and staff.

10. School Improvement

A major focus for our School Improvement Plan for session 2022/2023 is to make changes and improvements in teaching and learning experiences within the area of writing. We have introduced a programme called "Talk for Writing." Staff have received training on this programme and the way that we deliver this area of the curriculum is now much more active, engaging and pupil led. We are already seeing improvements in pupil attainment in writing.

We will continue with our commitment towards adopting a whole school approach towards Augmentative and Alternative Communication (AAC.) This is a range of strategies and tools to support communication and ensure that all children have a voice.

Our Acting Principal Teacher is our Equity and Excellence lead. This year we have a big focus on working in partnership with our families to improve pupil attendance and punctuality at school. The desired outcome is to raise pupil attainment.

11. School Policies and Practical Information

Nursery

All children attending a local authority nursery will be provided with a free lunch. Nursery lunches and snacks are based on nutritional requirements from the NHS "Setting the Table" guidance. Nursery age children also receive milk and a healthy snack free of charge under the Milk and Healthy Snack scheme 2021. This will be provided by the establishment

Healthy eating is something that the school supports and a range of meals are available at lunchtime that meet the Nutritional Requirements for Food and Drink in Schools (Scotland) Regulations 2020

Breakfast Club: Our school has a Breakfast Club which operates every day during term time. The Breakfast Club is free and open to any pupil from P1 to P7 to attend. There is no need to book. Mrs Park and Mrs Dunlop from our school Catering Team deliver the catering for the Breakfast Club. The selection available includes cereal, toast, fruit and milk. School Support Staff Mrs Aitken, Mrs Lithgow and DHT Mrs Reid support the children at the Breakfast Club. All primary aged pupils are also offered a free breakfast within their school.

For their lunch each day pupils have the option to choose from two hot meal options, a snack option plus a vegan / vegetarian option. These are all served with vegetables or side salad. All **meals** also come with fresh chilled drinking water, salad, seasonal fruit and depending on the day - soup or a dessert.

Milk will be available for those pupils entitled to free school meals through the free school meal eligibility scheme at morning break or lunchtime

Pupils in:

- Primary 1 to 5 receive a free school lunch.
- Primary 6 to 7 meal cost is £2.05

School lunches and milk can be paid for through your Parentpay account or Paypoint facilities in local shops.

NB School Meal prices are reviewed annually and may be subject to change

Special diets

If your child within Nursery, Primary or Secondary requires a special diet for medical reasons please speak to the school/nursery office who will provide the request form for you to complete. In addition, if

you have a cultural diet request for your child please speak to the school/nursery office who will provide you with a request form.

Free School Meals

Children of parents who receive the following benefits are entitled to a free lunchtime meal for their child

- Income Support, Universal Credit (where your take home pay is less than £660 per month), Job Seeker's Allowance (income based), Employment and Support Allowance (income related), Working Tax Credit and Child Tax Credit (where your gross annual income does not exceed £7,920 as assessed by the HM Revenues and Customs), Child Tax Credit Only (where your gross annual income does not exceed £17,105 as assessed by the HM Revenues and Customs) or receive support under Part VI of the Immigration and Asylum Act 1999.

If you are in receipt of Housing Benefit and/or Council Tax Reduction from us there is no need for you to apply online, we will use the information we hold to automatically award free school meals (P6 to S6) and/or school clothing grants (P1 to S6) to eligible families.

We would encourage parents of children who are in receipt of any of the above benefits to take up this opportunity of having a meal provided for their child when they are at school. Arrangements are in place so that children who receive free meals are not singled out and we encourage all children to remain in school at lunch time.

School Uniform

Murray Primary School Uniform

Casual: Navy blue sweatshirt/cardigan, Yellow polo top, Navy trousers/skirt/pinafore

Formal: Navy jumper/cardigan, White shirt/blouse, Navy trousers/skirt/pinafore

School ties are paid for in advance through your Parent Pay account at a cost of £5.00 and once payment is cleared can be collected from school office.

The uniform is now available to order online at www.myclothing.com

Please contact the school office for further information – 01355 222566.

All children are asked to bring a pair of indoor shoes to change into once they come into school e.g. gym shoes or soft soled shoes.

We ask all parents/carers to support the school by encouraging your child/children to adhere to the agreed dress code and the wearing of our school uniform. The wearing of a school uniform helps promote the identity of our school in the local community and helps create an ethos of sharing and pride in the school.

In addition, the wearing of a uniform helps towards increasing the protection of all pupils. The wearing of a uniform helps staff and the pupils to distinguish between who belongs to the school and those who may be visitors. This enables staff to approach and identify visitors more readily and helps in trying to offer a safer environment for pupils and teachers alike.

Equality of opportunity is an important aspect of the life of the school. Any proposals on the dress code and on what constitutes the school uniform will be the subject of discussion with the Parent Council and where appropriate consultation with parents, pupils and staff.

There are forms of dress which are unacceptable in all schools such as:

- the wearing of football colours
- clothing with slogans that may cause offence (anti-religious, symbolism or political slogans)
- clothing which advertises alcohol, tobacco or drugs
- clothing which can be deemed unsuitable in terms of health and safety grounds such as shell suits, combat style clothing, dangling earrings, loose fitting clothes particularly in practical classes
- articles of clothing that could be deemed to inflict damage on other pupils or be used by others to do so

- footwear that may damage flooring

Allergies

A significant number of children and young people in our schools will have allergies and it is important that parents keep the school fully informed on these matters.

Allergies can present in a variety of ways and can occur at any point in a person's life. Symptoms range from mild to severe. Children and young people known to have an allergy with moderate to severe symptoms will likely have a Health Care Plan drawn up by the NHS. This will detail symptoms and appropriate interventions. It is vital that parents share this information with the school and continue to provide any updated information.

Where symptoms are mild and a Health Care Plan is not in place, parents should still continue to liaise regularly with the school on any new triggers, medications and actions required.

In all cases, our employees need to know your child's symptoms, treatments and any actions required to help prevent exposure to the allergen and minimise the risk of allergic reactions.

Employees in schools will receive training on allergies and will liaise with parents and NHS on any additional specialist training required.

In supporting children and young people with allergies, school employees will operate in accordance with South Lanarkshire Council's Safe Systems of Work / risk assessment and national guidance on the administration of medicines.

Support for parent/carers

Clothing grant

In certain circumstances the Council provides support to parents/carers for the purchase of school wear.

Applications can be made online at www.southlanarkshire.gov.uk. If you are required to submit evidence of your Tax Credit income it is important that a copy of this evidence is attached to your online application. Should you require further information, or you are unable to submit an application online then please contact the helpline number **0303 123 1011** (option 5).

School Hours

Breakfast Club: 8.15am to 8.45am - This is free and available to all pupils from P1 to P7

School Hours: 9.00am to 3.00pm

Morning Break: 10.30am to 10.45am

Lunch Break: 12.15pm to 1.00pm

Nursery hours: 9.00am to 3.00pm

Enrolment – how to register your child for school

To register your child for school you should complete our online registration form. This can be done using the South Lanarkshire website.

www.southlanarkshire.gov.uk/info/200186/primary_school_information/392/enrolling_your_child_for_school If you have any difficulty in identifying your catchment school, please email Edsuppserv.helpline@southlanarkshire.gov.uk

The online registration form will ask you to provide each child's full birth certificate and two pieces of recent official documentation both containing your permanent home address for example a utility bill, council tax statement, housing rent card, child benefit documentation.

Proof of where the child lives may also be needed.

Parents within the catchment area will be advised via social media that they can begin using the online registration form to enrol their child for school in August 2023. The registration form along with the child's full birth certificate and 2 proofs of residency will be sent directly to the office email address will be available from 9 January 2023.

If your child attends nursery of your catchment school, don't assume that they will be automatically transferred. You must register them as normal.

If your child is starting school for the first time you must enrol your child at their catchment school in January. If parents want their child to go to another school, they must enrol in the first instance with their catchment school and ask for an information leaflet that provides details on how to make a placing request. An online placing request form is available from the SLC website – www.southlanarkshire.gov.uk or by contacting edsuppserv.helpline@southlanarkshire.gov.uk or phone **0303 123 1023**.

Enrolment date for 2024 is week commencing 15 January 2024.

School Transport

South Lanarkshire Council has a policy of providing school transport to primary pupils who live more than one mile by the recognised shortest walking route from their catchment school. This policy is more generous than the law requires. This means that the provision of transport could be reviewed at any time. Parents who consider they are eligible should complete a form online www.southlanarkshire.gov.uk or contact **0303 123 1023**. These forms should be completed and returned before the end of March for those pupils starting the school in August to enable the appropriate arrangements to be made. Applications may be submitted at any time throughout the year and will be considered by Education Resources.

A privilege transport scheme is operated for mainstream school contracts where a pupil is not entitled to free school transport. Privilege transport will only be granted providing there is spare capacity on an existing school contract and will be from and to designated pick up and drop off points. Privilege transport will not be provided where a service bus is used on the school run. Any spare capacity will be allocated using agreed priorities. More information on school transport is available www.southlanarkshire.gov.uk/info/200188/secondary_school_information/545/school_transport or phone **0303 123 1023**.

Pick-up points

Where school transport is provided it may be necessary for pupils to walk a certain distance to the vehicle pick-up point. Walking distance in total, including the distance from home to the pick-up point and from the drop-off point to the school in any one direction, will not exceed the authority's distance limit for school transport.

It should be noted that it is the parent's responsibility to ensure their child behaves in a safe and acceptable manner while travelling in and alighting from the vehicle. Misbehaviour can result in your child losing the right to school transport.

Parents are asked to note that South Lanarkshire Council does not provide transport for those pupils who attend school via a placing request.

Any information on transport appropriate to the school should be mentioned.

Insurance for schools – pupils' personal effects

South Lanarkshire Council is concerned at the level of claims being received for loss or damage to pupils' clothing or personal effects. Parents are asked to note the Council's position in terms of insurance for pupils' personal effects:

(i) Theft/loss of personal effects

The Council is not liable for the loss or theft of pupils' clothing or personal effects for example mobile phones, tablets etc. and any items are therefore brought into the school at the pupil/parents' own risk.

Parents can assist by ensuring that valuable items and unnecessarily expensive items of clothing are not brought to school.

Teachers and other staff have been advised not to accept custody of any such items.

The same principle applies to musical instruments and other equipment used for activities within the school, which belong to the pupil, but are brought into the school. Parents should be aware that if such equipment is left in school, it is done at the pupil/parents' own risk.

In the case of valuable items such as musical instruments, parents should ensure that these items are covered by their own household insurance.

(ii) Damage to clothing

The Council is only liable for damage caused to pupils' clothing where the damage has resulted from the negligence of the Council or one of its employees. Claims arising otherwise will not be accepted by the Council's insurers.

Family holidays during term time

Every effort should be made to ensure that your child attends school during term time. Please contact the school as soon as possible if your child is unable to attend school.

Family holidays should be avoided during term time as this both disrupts the child's education and reduces learning time. If holidays are taken during times when the school is open parents should inform the school in advance by letter.

If your child is taken on a family holiday during term time, then in line with Scottish Government advice this will be classified as an unauthorised absence. However, in exceptional circumstances schools may register a family holiday during term time as an authorised absence when for example, parents are unable to obtain leave during the school holiday period.

Clearly, absence with no explanation from parents will mean that the absence will be recorded as unauthorised.

In our approach to raising attainment and achievement it is recognised that attendance at school is something that should be continuously encouraged. Parents/carers, children and the school all have a part to play in encouraging and stressing the importance of attendance at school.

The school holiday dates and in-service dates are available from the website www.southlanarkshire.gov.uk

Promoting positive behaviour

It is the responsibility of staff within the school to ensure that parent council members, parents and pupils are involved in the creation of a positive school ethos that encourages good behaviour. Equally, the school whilst trying to promote positive behaviour must support young people should incidents or bullying occur. Parents have a significant role to play in working with the school so that teachers, parents and pupils know what is expected of them in trying to change the behaviour and attitudes that contribute to bullying behaviour.

Our approach is to create an environment where better behaviour will encourage better learning. The school, along with the support of parents, can work together to create a learning environment which young people can enjoy and feel safe.

Incidents of bullying should be reported to the school immediately so that each alleged incident can be looked at. Together we can work towards creating a safer school for children and staff.

In addition, a guideline (Promoting Positive Relationships and Behaviour) has been produced to support all teaching and support staff and inform them of their roles and responsibilities in respect of dealing with the small number of children and young people who display challenging behaviour. Early identification is crucial so that intervention can be provided to support children and young people to help them address their issues and concerns. Staff training is provided to help develop the skills needed to respond to and manage challenging behaviour. A wide range of appropriate staff development opportunities has been developed for this purpose.

Child Protection

All staff in educational establishments in South Lanarkshire Council receive an annual Child Protection update and are required to follow the advice and guidance contained within relevant Education Operating Procedures. They must also complete a mandatory Learn on Line Course "Child Protection in Education".

South Lanarkshire's children's services partnership works together to support children, young people and their families so that children grow up in communities where they are safe, healthy, active, achieving, respected, responsible and included, and have the opportunity to achieve their full potential. They are committed to continuously improve our services to ensure children, young people and their families get the right support at the right time.

Sometimes children and young people need additional help to make sure that they are "*cared for and protected from abuse and harm in a safe environment in which their rights are respected*" (CPC South Lanarkshire Child Protection shared vision). The Child Protection Committee has the overarching responsibility to ensure that agencies individually and collectively work to protect children and young people as effectively as possible.

All staff have a responsibility to report any suspicions that a child has been abused or is at risk of harm, abuse, or neglect. Robust procedures and guidance are in place to support education staff to:

- be alert to signs that a child may be experiencing risks to their wellbeing,
- report concerns to the head of establishment or the child protection coordinator without delay.
- be actively engaged in support and protection and development of wellbeing.

If you would like more information, or have a concern of a child protection nature, please contact the head of the educational establishment which your child attends.

The Child Protection Committee's website has a range of useful information for parents/carers to help them keep their children safe. www.childprotectionsouthlanarkshire.org.uk

Information on emergencies

We make every effort to ensure the school remains open during term-time for pupils. However, on occasions circumstances may arise which can affect the school. Schools may be affected by, for example, severe weather, power failures or through any other circumstances that may impact on the school day. In such cases we shall do all we can to let you know if this happens. We shall keep you in touch by telephone, text, where appropriate, letters, web news and through local radio stations particularly if there are prolonged periods of severe weather. The Council's website www.southlanarkshire.gov.uk will be used to let you know if the school is closed and when it will re-open.

It is important for parents/carers to let the school know of any change to your mobile/home telephone number and change of address.

If for any reason, you are unsure if the school is open visit the website www.southlanarkshire.gov.uk or email education@southlanarkshire.gov.uk

Your commitments

We ask that you:

- support and encourage your child's learning
- respect and adhere to the schools policies and guidance
- let the school know if you change your mobile/telephone number and/or address
- enjoy and take part in school activities
- accept your responsibility to respect staff who work in the school and for the school to be proactive in taking forward it's commitment to care for and educate your child.

General Data Protection Regulation as supplemented by the Data Protection Act 2018 (GDPR)

Information on pupils, parents and guardians is held by the school to enable the teaching, registration and assessment of pupils as well as associated administrative duties. The information is stored and used as per the requirements of the GDPR, with South Lanarkshire Council defined as the data controller. The Council have established a data protection policy that applies to all of its school. Education Resources has also prepared a privacy notice (below) which sets out how we will deal with personal information as part of our statutory function as an education authority. For more information please contact the school.

Privacy Notice

Introduction

In line with the General Data Protection Regulation (GDPR) we have produced this privacy notice to inform you how we deal with personal information as part of our statutory function as an education authority.

The Council has a legal obligation to deliver effective education services to children, young people and adult learners in South Lanarkshire. In order to do this we need to collect personal information about children, young people and their families so that we can help them to learn and keep them safe.

Using your personal information

The Council is a "controller" of the personal information you provide when enrolling for a nursery or school, applying for an education service or participating in groups or activities provided by Education Resources.

Information we collect from you about you and your child at enrolment

When you enrol for a nursery or school, we ask for the following information:

- parent/carer contact details (name, address, phone, email);
- the child's name, date of birth, gender and address;
- information about medical conditions, additional support needs, religion and ethnicity;
- any information you may wish to provide about family circumstances.

Information we collect at other times

We will also collect information at other times such as when you apply for a benefit, request a services or other support. We will provide an additional privacy notice at these times.

- If you apply for an education service or benefit, such as school transport, free school meals, clothing grant, placing request or EMA, we will also ask for personal information as set out above. We will also ask for information about your income for education benefits applications.
- If you make a request for additional support such as an educational psychologist or other support for learning we will ask for more detailed information to allow us to provide the most appropriate support for your family. This may include information about family circumstances or medical conditions.
- If there are concerns about your child's wellbeing and/or your child has needs that may require additional support, we will wish to work with you to collect and consider information to enable us to help you get the right support at the right time in line with the Getting it right for every child approach.

We require this information to ensure that children and young people are educated appropriately, supported, and that we take account of their health and wellbeing. We will also ask you to update this information annually and to tell us when there are changes to your details.

Information that we collect from other sources

As an education authority and as part of our statutory function in accordance with our legal obligations, we receive information from other sources such as the SQA, the NHS or Social Work about you or your child, this includes:

- exam results and assessment information;
- information about health, wellbeing or child protection.

Why do we need this information?

We need this information so the Council can ensure it is delivering education services appropriately to all learners:

- for the education of children, young people and adult learners;
- for teaching, enrolment and assessment purposes and to monitor the educational progress of children, young people and adult learners ;
- to keep children and young people safe and provide guidance services in school;
- to identify where additional support is needed to help children, young people and adult learners with their learning;
- to maintain records of attendance, absence and behaviour of children and young people (including exclusions);
- to support children and young people moving on each year from nursery to primary, primary to secondary and when they move or leave school;
- to help us develop and improve education services provided for young people, adult learners or families
- In accordance with our legitimate interests as an education authority we will also use your information to create statistical reports.

We will share your information with:

As an education authority and as part of our statutory function in accordance with our legal obligations we will share information with other bodies or parts of the Council, including:

- The Scottish Government and bodies such as Education Scotland, Scottish Qualifications Authority, Skills Development Scotland and other organisations that support children and young people's learning;
- Other parts of the Council when required for services such as school meals, school transport, education benefits and with Social work in connection with any child protection concerns we become aware of;
- The NHS, to support health initiatives in accordance with the legal obligation on the Council in terms of section 39(3) of the National Health Service (Scotland Act 1978);
- South Lanarkshire Leisure and Culture Limited, where children and young people are participating in sports and leisure activities;

- Other schools/local authorities – if a child moves or transfers to another school the Council has an obligation to pass on information with regards to pupil records to the new school/local authority.

You have the right to access your personal information as well as the rights of rectification, erasure, restriction and the right to object. For information on these rights and how to exercise them or for information about how we manage your personal information, you can get a copy of our full privacy notice from our website:

(https://www.southlanarkshire.gov.uk/info/200235/meta/1730/general_privacy).

Our full privacy notice will also provide information on how to make a complaint or to request a paper copy of the privacy notice from the Data Protection Officer.
