

As we come to the last day of term, we can look back on what has turned out to be a very eventful school year so far. From our visitors from HMI in September through to the last few very strange weeks, it has certainly been a time we won't forget.

It is now time for everyone to take a break for a few weeks. Our staff, and yourselves, need some time to focus on family and to have a very well deserved rest. Staff will not be updating the online learning during this time but will look forward to being back in touch after the break.

I would like to remind parents that the activities posted online by teachers are there to support you and ones we hope you find useful. They are not compulsory and we would hope that all families do what suits best so as to relieve any pressure at home. We are very keen however, to keep in touch with all families and would hope that you can use the Google Classroom setup to do this. It would be nice to hear about the activities and pastimes you as a family are doing together during this time.

Please remember there is a dedicated email that can be used to contact us at any time. Please use this if you have any queries and/or comments and one of the team will get back to you. The email is: emergencyclosurerps@glow.sch.uk

Finally, please look after yourselves and stay safe. The Rigside Team are missing all of you and looking forward to the days to come when we return to normality.
