### Numbers 1 to 20

1	2	3	4
5	6	7	8
9	10	11	12
13	14	15	16
17	18	19	20

### Let's learn our shapes

circle	triangle	square	heart
star	diamond	oval	rectangle
crescent	pentagon	hexagon	

### Days of the week

Sunday  
Monday  
Tuesday  
Wednesday  
Thursday  
Friday  
Saturday

### Months of the Year

January	July
February	August
March	September
April	October
May	November
June	December

### Number Formation

0 1 2 3 4  
5 6 7 8 9

Numeracy

Health and Wellbeing

Other Curricular areas

**Alpacas with Maracas** <https://www.youtube.com/watch?v=uObcv3tuNuo>

This story has lots of rhyming words in it, even the characters names rhyme - Macca the alpaca, his pal Al. Can you make up rhyming words that go with your name? Try it for family members too. You can use a real rhyming word or a nonsense word. Have fun playing with the sounds.

The alpacas played maracas that has beautiful coloured patterns and shapes on them. Can you make a pattern using colours and shapes? Try making patterns in this game

<https://www.topmarks.co.uk/ordering-and-sequencing/shape-patterns>

We all have talents, things that we are good at and everyone's talents are different. Some people are good at singing, dancing, drawing, sports etc. What are your talents? Tell a grown up and maybe ask them to video you showing your talent.

Making music is lots of fun. Click on this link to find lots of fun ways that you can make musical instruments at home

<https://www.earlyyearseducator.co.uk/practical/article/understanding-the-world-bang-in-on>

**Whatever Next!** [https://www.youtube.com/watch?v=INOWyGI\\_yjM](https://www.youtube.com/watch?v=INOWyGI_yjM)

Pretend that you are going on an adventure to the moon. Write or draw a list of everything you that might need for your journey. Tell a grown up what you would like to see on your space adventure.

Baby Bear and Owl had a lovely picnic on the moon. Can you make their picnic more exciting by feeding baby bear cakes in this fun Teddy bear counting game?

<https://www.topmarks.co.uk/learning-to-count/teddy-numbers>

Little Bear passed by millions of stars on his journey. Tell a grown up, when do you see stars in the sky? Can you recite the rhyme 'Twinkle, Twinkle?' Do you have a favourite teddy that you like to sleep with at bedtime? Tell a grown up about your teddy and why you love it so much.

A cardboard box can be transformed into many things. If you had a cardboard box, what would you turn it in to?

**Hungry Harry** <https://www.youtube.com/watch?v=WsJuCAJ70tM>

At the end of the story, Harry found the most delicious food and kindly shared it with his friends. Draw a picture of your favourite foods and your friends. Tell a grown up who you would share your favourite foods with and what they are. You could try writing your friends names under their picture too.

Frogs love to jump. How far can you jump? Put down a piece of paper to make a start line. Bend your knees and jump as far as you can. Put another piece of paper down where your feet land. Measure how far you managed to jump using non-standard units such as books, building bricks, bottle tops, hands etc. Count how many units you used and write the measurement down. Try jumping again. Did you jump further? Ask a grown up or sibling to jump too. Who jumped the furthest?

Frogs have really long tongues, and we know a song about a cheeky frog called Freddy who likes to stick out his tongue. Click on this link and join in with the singing and dancing. Can you do the actions with the song?

[https://www.youtube.com/watch?v=X2KceEQ\\_2pc](https://www.youtube.com/watch?v=X2KceEQ_2pc)

Harry's mummy thought that he was big enough to find his own food. Did you know that Harry wasn't always a little green frog? Find out about the lifecycle of a frog by listening moving your body along to this audio from BBC.

<https://www.bbc.co.uk/teach/school-radio/eyfs-playtime-frog/zbf4vk7>

Afterwards, draw or paint a picture to show the lifecycle of a frog.
