

Home Learning

What will it look like?

From **Monday 18th of January** the school will offer a mixture of live interactions, pre-recorded lessons, supported lessons and independent learning tasks for pupils.

Each day there will be a live morning check-in for each class.

For live interactions pupils will connect using **Google Meet**. This is a video call function built into **Google Classroom**. Below is a timetable of when each class will check in with their teacher.

Class	Time
Room 1	9.00am - 9.10am
Room 3	9.15am - 9.25am
Room 7	10.15am - 10.25am
Room 4	9.45am - 9.55am
Room 5	10.00am - 10.10am
Room 6	9.30am - 9.40am

A guide on how to use *Google Meet* will be posted on the school app and in the child's *Google Classroom*.

We are looking forward to seeing all the pupils online.
