**Dear Parents and Carers,**

In response to the update by the Scottish Government yesterday, where P 1- 3 pupils are now able to return to in - school teaching we have updated our Covid-19 mitigation guidelines via the school App for your information.

We are very much looking forward to the return of our P1 – 3 pupils and are keen to reassure you that all safety measures and mitigation procedures are in place.

We will continue with our high-quality Remote Learning Offer for all P 4- 7 pupils, ensuring they are receiving learning and teaching as near to face to face learning as is possible.

Can I ask, that, where possible, for safety considerations that pupils walk to school or parents park a short distance away and walk the rest of the way. As stated in the FM address yesterday all parents and carers should adhere to social distance and mask wearing when picking up and dropping off pupils.

On behalf of myself and the whole staff we hope you are all doing well and are looking forward to all pupils being back in class as soon as possible.

Loraine Cassidy  
Head Teacher
