

St Cadoc's Primary School Improvement Priorities 2024.25

1

Increase attainment in writing

OUTCOMES:

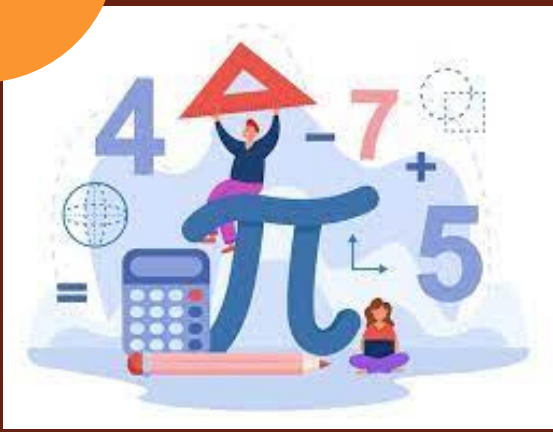

- Raise attainment in writing and improve consistency of learning, teaching and assessment
- Embed Talk for Writing (narrative) and continue to implement non-fiction and poetry writing using T4W approach
- Increase confidence in assessment of writing and judgment of levels

MEASURES:

- ACEL data
- Forward Plans
- Learner Conversations
- Jotter Monitoring
- Staff questionnaire
- Tracking and Monitoring minutes

2

Increase attainment in maths

OUTCOMES:

- Raise attainment in numeracy and mathematics
- Continued implementation of Maths Recovery approaches at Early Level
- Further development of planning resources for learning and teaching in Numeracy and Mathematics

MEASURES:

- ACEL data
- Peer observation
- Learner conversations
- Jotter monitoring
- Forward plan dialogue
- T&M meetings

3

Reimagine our curriculum

OUTCOMES:

- Reimagine our curriculum through a project-based IDL approach which aims to cultivate critical thinking, creativity and social responsibility
- Ensure our curriculum reflects key themes relevant to modern Scottish society e.g. UNCRC, sustainability and equalities
- Further developing play across the school

MEASURES:

- Staff evaluation and feedback
- T&M meeting minutes
- Stakeholder feedback
- Staff questionnaires

4

Improve outcomes for pupils impacted by socio-economic disadvantage

OUTCOMES:

- Narrow the poverty related attainment gap in literacy and numeracy
- Improve health and wellbeing outcomes for pupils

MEASURES:

- ACEL data
- Attendance rates
- Tracking of family supports
- Parent/pupil feedback
- Stakeholder surveys
- Observation
- T&M dialogue
