St Elizabeth's Primary School and Nursery Class

<https://bsky.app/profile/stlizps.bsky.social>.

Our vision is -

to strive to excel in all that we do through working hard and having respectful relationships in a safe, happy and nurturing environment, embracing a love of life long learning.

Our motto is -

Learn Together, Laugh Together, Bethe Best You Can!

Welcome to our weekly update!

21st November 2025

Dear Parents and Carers, welcome to this week's update. I hope you find this latest bulletin informative and helpful - as always, please contact the school office on 285080 or office@st-elizabeths-pri.s-lanark.sch.uk should there be anything you are unsure of and we will be happy to help.

Well, another busy week is finished in the life of our school and nursery! We started the week on the road to Oz and finished it on the road to Christmas!! Our children thoroughly enjoyed a wonderful panto on Tuesday courtesy of yourselves via our Community Partnership. Thank you very much for your support with fundraising which enables these treats to happen. Our pre-school nursery children were also able to come along and enjoy the fun...oh yes they did!!

We are now busy getting ready for our Christmas Fayre on Friday...thank you very much for all donations received so far – please keep them coming this week, all items are very gratefully received and will help to make our Christmas Fayre the usual successful, enjoyable event it is.

We are having a House Colours Day on Wednesday and children are invited to bring an item for their House Hamper...please support us in the wonderful way you always do.

We look forward to seeing you, your families and friends at our Fayre on Friday. Doors open at 3pm and there promises to be lots of fabulous stalls and goodies for sale, a great opportunity to pick up some Christmas treats. Who knows, maybe the big man himself will take a break from all that present making and organising and make an appearance!

Curriculum Information.

As you know, each week we are focusing on a different capacity across our school. These are **Responsible Citizens**, **Effective Contributors**, **Confident Individuals** and **Successful Learners**.

Next week's focus is around **Responsible Citizens**.

The children should all have had the chance to talk to you about each area when they completed their Learning Target Booklet. The graphic opposite details the focuses for this capacity as a wee reminder. We look forward to seeing our children showing us the many ways they are developing their responsibility and the skills related to this.

Community Partnership

The next meeting of the Community Partnership takes place on Tuesday 25th November, 6-7pm, everyone welcome to come along.

We are delighted to have now received our mini printers for each classroom – thanks to you all for supporting fundraising events.

Catholic Education Fortnight

Many thanks to our superb children for reading and doing the offertory at Mass on Sunday 23rd November and to all families who managed to come along. We were very proud of you all. Thank you.

School Travel Plan

We are reviewing our School Travel Plan and the views of us all are really important. Below is the link to the parent survey and we would greatly appreciate if you wouldn't mind completing this for us. Thanks to those of you who have already managed to do this, we have 53 parent responses so far. You can click either the survey link or the QR code to complete...we thank you very much for your time and attention to this important questionnaire.

Parents - <https://online1.snapsurveys.com/xm5f4s>

Thanks very much everyone, have a lovely week ahead...Mrs Grant, Head Teacher
