• Parent's Evening

We had a great turn out at our second Parents Evening of this session, where I am sure you will have heard how hard your child is working at school and the ongoing progress being made with their work and learning. Our children work very hard in school each day and we are very proud of each and every one of them.

• Lenten focuses

We have enjoyed our third dress down day across our school today. Thank you very much for your support and for all donations received into the Wee Box for SCIAF. Next week's focus is dress like a celebrity and, as always, your support in helping to ensure children are dressed appropriately is greatly appreciated by everyone. As usual, any child is also welcome to come to school dressed down rather than dressing up.

• World Book Day

We had a wonderful day on Thursday celebrating all things books! Our children and staff across our school and nursery thoroughly enjoyed sharing books and stories and also receiving a little book gift. Many thanks also to everyone who was able to make it along to our school and nursery Come and Read sessions. Thank you so much for your fantastic support of these events, we love to see you.

We also have another gift for the children - a brand new book that has been bought with book token vouchers handed in to our school. Thank you to Kirsty from the Community Partnership for organising and collecting these for us. The children will receive their new book on Monday. Happy reading everyone!

• P4-7 Trip to Sky Academy

On Tuesday 10th March, our children from P4 to P7 will be enjoying a wonderful trip to the Sky Academy in Livingstone, paid for from our PEF Participatory Budget. We look forward to hearing all about their trip. School uniform should be worn and children should either bring a packed lunch or order one from our canteen. They will return to school at approx 3.30pm.

• Active Schools Club

Our final session for our P1 children will be this coming Wednesday, 11th March. Many thanks to our Active Schools Co-Ordinator and Mrs McCaig for organising this for our children - they have really enjoyed their sessions.

Wednesday 11th Mar - P7's away to Inverclyde for their Residential Trip

Friday 13th Dress Like a Celebrity Day and dress down day.

Friday 13th P7 children return to school at approx. 3.00pm and go home to sleep!!

***This week we would be delighted if you were able to help us with donations of ...**

*newspapers and empty boxes.

• Sharing your skills

We will shortly be issuing a questionnaire asking if you would be willing to either come in to school to talk about your job or share your skills with us in a practical way. We are looking to revamp our playground for our children and would be able to do so much with your help and expertise.

We are also looking to talk to our older children about the world of work and the skills they need. We have had parents in to talk to the children in previous years and have all found it to be very inspiring and helpful for them to hear.

Every good wish, have a lovely weekend ahead

Mrs Grant, Head Teacher
