• Sky Academy Visit

On Tuesday of this week P4, P4/5, P5/6, P6/7 and P7 pupils visited the Sky Up Academy in Livingston where they became AI experts, story writers, actors, directors, producers, editors and camera operators. In groups they used these skills to create fantastic movie trailers. Click on the link below to watch in Sky Cinema.

Thank you to the parents who came along to help.

• New Books

The children have each received another book this week! This has been bought from the £1.00 World Book Day Vouchers that we had received. Thank you to our Community Partnership for kindly organising and collecting the books for us. Happy reading!

• Lenten Focuses

We have enjoyed our fourth dress down day across our school today. Thank you very much for your support. The children have learned more about SCIAF and the wee box at our whole school assembly. Any donations towards the wee box appeal each week would be wonderful, every little helps, as they say! Next week's focus is Back to Front Day

Fri 20th March **Back to Front Day**
Fri 27th March **Bring a Toy Day (no electronics)**

Children can choose to take part in each of these activities each week and, if they do so, are asked to bring a donation for their class SCIAF box please. Alternatively, any child is welcome to wear their school uniform each Friday if they would prefer, there is no obligation to take part each week.

• P7 Residential

Our Primary 7 pupils have been away on their much anticipated residential trip this week. On Wednesday morning there was great excitement as they boarded the bus and set off on this big adventure. Over the last couple of days they have all had a ball and we can't wait to hear all about it when they return this afternoon.

Follow us on Instagram to see photos and clips of their visit.
