

## **FOVP**

### **Meeting Minutes**

**13.03.2026**

#### **Attendees:**

- Kirsty McKellar- Head Teacher
- Karen

#### **• Welcome:**

Kirsty welcomed and advised that limited updates this month, but the meeting was also going to run alongside the Carluke Gala joint meeting with High Mill

#### **• Update from Kirsty:**

##### **School Badge.**

Kirsty has sent the School badge that the Pupil's voice group came up with to the council.

They have now sent this back for approval and it looks great, other than a slight amendment to the font.

Once this has been amended Kirsty plans to send it to ALJ Schoolwear so they can put the badge on a black and red jumper and Kirsty will then share pictures of this with all parents.

##### **Parent helpers**

Kirsty will be asking for volunteers for Parents to volunteer at the school to help with Rebound Therapy.

These volunteers would need to be PVG checked (which school can arrange) and are needed so that the children can safely use the trampoline as it requires extra adults to ensure safety around the trampoline in case of accidents.

### **Monetary Donations to the school:**

Kirsty told us at that the last meeting that she has had some monetary donations for the school.

She has already started to spend this and has bought:

1. 3 new sets of reading resources to be used by all year groups.  
These range from phonics to books that the children can read.
2. New equipment for the gym- including benches
3. New comfy chairs for the classrooms

### **Gala day meeting**

Joint meeting with High Mill took place today.

Our theme will be Super Scotland.

The pupil voice group came up with four ideas that we could use to represent Scotland and these were then showed to all the classes.

The overwhelming majority voted for the Loch Ness Monster and so this will be Victoria Park's theme.

High Mill are still gathering views but will definitely include football as part of their theme.

We discussed that we could have a giant Nessie as a banner and that we could all have t-shirts with Nessie on them or dress up as Nessie.

The Super Scotland theme has now been registered with Carluke Gala Day committee.

Next meeting will be Friday 24<sup>th</sup> at 1:30pm- please attend if you can.

### **AOB.**

None.
