

How Good is OUR School?

Summary of Pupil Voice Feedback

May 2018

Each pupil in Primary 3-7 gave their views on the school using the five themes from 'How Good is OUR School?'

Our Relationships
Our Learning and Teaching
Our School and Community
Our Health and Wellbeing
Our Successes and Achievements

They rated each theme using the same 6-point scale used by Education Scotland and school staff for self-evaluation.

6	Excellent
5	Very Good
4	Good
3	Satisfactory
2	Weak
1	Unsatisfactory

Pupils were also asked to identify key strengths of the school by identifying 'memorable moments' and identifying areas for development by thinking about 'moving forward'.

The information will be used to inform the School Improvement Plan for 2018/19 and used by the Pupil Council to guide their work this year.
