

Helping to improve the progress everyone makes in reading, writing and spelling

We are doing this by

- Making sure the teachers know the best ways to teach literacy.
- Planning active ways to help you learn to read, spell and write.
- Looking at your work and your lessons to see how good you are doing in class.
- Looking at data to provide you with extra help if you need it.

Helping to make sure everyone succeeds in their learning.

We are doing this by

- Making sure our school is a safe and nurturing place for everyone.
- Learning as much as we can about how children learn and grow.
- Planning groups to help anyone who needs extra help with their reading, spelling or maths.

# Woodhead Primary School

Children's School Improvement Plan  
2018/19

What we are going to do to make Woodhead the best it can be...

What are we going to buy to help you to learn?

- Extra teachers to help you to learn and to check your learning is going well.
- Extra support staff to organise things to do before and after school.
- New books and novels to read in class and at home.
- Maths and Language activities to help anyone who needs extra help.
- New ways of checking your learning and telling you how well you are doing.

Helping to make our school part of the community

We are doing this by

- Asking everyone what they think is good about our school.
- Making sure we are all working together to make our school excellent.
- Organising lots of clubs for you and your parents to attend.
- Finding new ways to reward your hard work and excellent behaviour.
- Organising active things to do before school to keep you healthy.
- Having focus weeks to help you learn real-life skills.
- Making learning fun and making sure you have time to play.
