## **Education Scotland Inspection**

A team of HM Inspectors from Education Scotland will visit Woodhead Primary and Nursery from Monday 17<sup>th</sup> February 2020. You can find out more about the inspection process at

<https://education.gov.scot/education-scotland/what-we-do/inspection-and-review/>

During the week, the visiting inspectors will visit classes to observe learning and teaching, sample a range of evidence and speak with groups of pupils, staff and parents. All parents/carers of pupils in the school and nursery are invited to participate in the inspection by completing a short questionnaire. Links to the questionnaires are available on the school website or twitter page. We would like as many parents/carers as possible to complete this and ask that you do so by Friday 7<sup>th</sup> February 2020.

## **Parents' Night Booking System**

We plan to trial the use of an online appointment booking system for the March 2020 parent/teacher consultations. Parents/Carers will be able to log in to a secure website and select their own appointment schedule from the available dates/times. We hope this will allow greater flexibility in booking appointment times that suit work and family commitments. Parents/carers will be also able to plan sibling appointments together and make changes to planned appointments times if circumstances changed. Anyone who does not have access to the internet will be able to call the school to make an appointment. Information about how to book appointments will be sent home towards the end of the month.

## **Sports Hall Athletics Success**

The school Athletics Team participated in the Hamilton District Sports Hall Athletics tournament on Thursday 16<sup>th</sup> January 2020. We have had great success in this event over the past few years, taking first place every year! We are delighted to announce that this year was no different and once again the title remains with Woodhead. The team secured their first-place victory with a lead of just one point! Well done to Mrs. Murray and the entire Athletics team on their achievement!

Tickets are available from the school office at £5 each, which includes a Bingo Book, snacks and a disco. Please come along to what is always a fun night. All proceeds go towards school and nursery funds.

## **Numicon Training**

As part of our ongoing school improvement priority of raising attainment in numeracy and maths, all staff from the school and nursery will be taking part in 'Numicon' training on the 7<sup>th</sup> February 2020. We plan to purchase Numicon resources for every class and will organise some parental workshops later in the year to demonstrate how this resource can improve pupil's mental agility and understanding of number. You can find out more about Numicon at [www.theschoolrun.com/what-is-numicon](http://www.theschoolrun.com/what-is-numicon)

## **National Society for the Prevention of Cruelty to Children Workshops**

The NSPCC visit schools in the UK every two years to deliver workshops to pupils in P1-7. With the help of their mascot, Buddy, they will deliver a whole school assembly on Tuesday 25<sup>th</sup> February 2020. This will cover topics such as bullying and abuse without using any scary words or adult language. After the assembly, pupils in P6 and P7 will explore the topics in more detail using engaging exercises to look at different situations and decide what's OK and what's not OK. See the NSPCC website for more details: [www.nspcc.org.uk/keeping-children-safe/our-services/working-with-schools/](http://www.nspcc.org.uk/keeping-children-safe/our-services/working-with-schools/)
