

Home Learning for Primary 4a

1 Week Beginning: 20th April '20

Literacy and English

All Groups:

- Using Education City, complete the spelling, reading and writing activities set up within your own spelling and reading groups.

Maths and Numeracy

Cubes, Spheres & Cones:

- Did you use the following games in Education City maths groups to reinforce mental calculations for previous work: ***Snakes on the Brain, Tomb of Doom, Dungeon Run, Card Showdown and Card Clash?***
- Ensure speed and accuracy in all tables up to 6 before now learning and practising the **7 times table**: see Education City games: ***7 X Table song, Multiply by 7*** and ***7 X Challenge***
- Moving mental strategies on to **adding two 3-digit numbers** - See *Education City - Learn screen: Number Arcade, followed by games: Number Bonds to 100 and Swing a Ring*
 - Revise doubles of multiples of 10 for 2-digit numbers eg double 10 =; double 20 =; double 30 =...double 100 =
 - Apply this pattern of answers to find doubles of multiples of 10 for 3-digit numbers eg double 100 = ; double 110 = ; double 120 = Double 1000 =
 - Revise multiple of 10 bonds to make 100 eg 10 + 90; 20 + 80; 30 + 70
 - Revise adding **any** two 2-digit multiples of 10 eg 30 + 80 = ; 20 + 90 = ...
 - Apply these patterns to multiple of 100 bonds to make 1000 eg 100 + 900; 200 + 800; 300 + 700 ...
 - Practise adding together **any** two 3-digit numbers that are multiples of 100 eg 400 + 700

Pyramids:

- For times tables, see *Education City - games: 2 X Table Song, Multiplying by 2, 10 X Table Song* and ***Multiplying by 10***
 - Keep up the practice in reciting the 2 times table and recalling random facts
 - Continue to practise reciting the 10 times table and recall of random facts
- Continue to practise counting forwards and backwards to/from 100 in 2s, 5s and 10s
- Moving mental strategies on to **adding/subtracting units to/from a 2-digit number**- See *Education City - Learn screen: Daisy Chain, followed by game: Dancing Robot*

Topic: Earth in Space

Watch: <https://www.youtube.com/watch?v=f4ZHdzl6ZWg>

Read and respond: https://www.ducksters.com/science/phases_of_the_moon.php

- Using the above website:
 - Read about the phases of the moon as it orbits the Earth.
 - Take the ten question quiz at the end
 - Make a Google slide show (and share learning with classmates – get feedback?) or a flicker book (using post-it notes?) showing the 9 phases of the moon

Other Curricular Areas

- See online activities for exercise routines eg Go Noodle, Joe Wicks ..

Remember to check the school website and twitter for other learning activities.
