

Home Learning for Primary 5

20th to 24th April 2020

Literacy and English

- **Education City** (Mr Sullivan has set some activities in the Classwork Folder, when you sign into Ed City) There are 4 Literacy activities – Park and Read, Holiday Reading, Crunch Time and For Better or Verse)
- **Writing Task** - see Topic - Create a Mind Map
For a reminder how to Make a Mind Map, go to:
<https://www.youtube.com/watch?v=wLWV0XN7K1g>
- Keep reading for enjoyment and you could choose a different journal activity.

Maths and Numeracy

- **Education City** (Mr Sullivan has set 3 Numeracy activities – Food and Rink, Wrecking angles, and Aisle Pay)
- **Sumdog** is available
- RmEasimaths, Topmarks and Maths is Fun
- Practise your Times tables at <https://www.timestables.co.uk/>

Topic

- As we come to the end of our **Ancient Greeks** topic – Can you create a Mind Map to recall some of the learning.
- Some main branches could include – gods/goddesses, The Labours of Zues, Early Democracy, Arts and crafts, landmarks and places, First Olympics
- Remember to add some small graphics to help your visualisation

Other Curricular Areas

- **Science** - Education City (Mr Sullivan has set a Science activity - Fast Food)
- **ICT - Google Classroom** - Still time to add your 'Ancient Greeks at War' in Slides. Remember it is very like a Powerpoint
- I didn't put a due date for it, but so far I have received 6 back - Well done to you. I can see some great graphics and a few transitions too.

Remember to check Twitter and the Home Learning Hub on the school website for additional activities.
