Please also see 'Classwork' Section of Education City for further Literacy activities.

Maths and Numeracy

Mental Maths:

Topmarks Daily 10 Mental Maths Challenge: <https://www.topmarks.co.uk/maths-games/daily10>

Education City – see classwork folder for data handling/money games and activities I have set.

Money activity sheets (attached).

Please count out and add money using coins – maybe you could count how much money you have in a piggy bank?

Practise making different amounts up to £2 using doorway online

<https://www.doorwayonline.org.uk/activities/cashing-in/cashing-in.html>

Have a go at making your own custom built car by buying the parts on

<https://www.ictgames.com/mobilePage/customCars/index.html>

You may enjoy watching Daily Dollop of Maths on

https://www.youtube.com/results?sp=mAEB&search_query=daily+dollop+of+maths

I have also attached some addition and multiplication BOOM games for children to play.

Topic

We are coming to the end of our Ancient Egyptians topic. Below are some activities/videos you might like to look at.

- A virtual tour inside the tomb of Queen Meresankk III
<https://my.matterport.com/show/?m=d42fuVA21To>
- Watch a documentary following Egyptologists exploring the Valley of the Kings
<https://www.channel4.com/programmes/secrets-of-egypts-valley-of-the-kings/episode-guide>

As we are learning from home at the moment this is an opportunity to research an area of your choice. This could be a country you are interested in, an animal, a famous landmark, a famous person, a member of your family. You can share what you have learned in any way you choose – a piece of writing, a comic strip, a video, a poster.

I know lots of you wanted to learn about the Titanic in class. Why not use this time to find out some interesting facts about the Titanic. There is a super book on Collins Connect all about the Titanic and here is a video of a survivor's story:

<https://www.bbc.co.uk/programmes/p029z376>.

Let me know what you find out!

Other Curricular Areas

Digital Technology – see Challenge Grid.

Health and Wellbeing:

- Cosmic Yoga https://www.youtube.com/results?search_query=cosmic+yoga,

Kindness Connect 4 (see attached grid)

P.E with Joe Wicks

https://www.youtube.com/results?search_query=pe+with+joe+wicks+live

Music:

There are lots of lessons and songs to join in with on the Collins Connect website. Login using same login details as eBooks and select Music Express.

Art:

Lots of fun tutorials for you to choose from to help you practise your drawing skills on

https://www.youtube.com/results?search_query=draw+with+rob

Science:

See Glasgow Science Centre's Daily experiments for some cool ideas to watch and maybe have a go at yourself!

https://www.youtube.com/results?search_query=glasgow+science+centre+daily+experiment+

Remember to check Twitter and the Home Learning Hub on the school website for additional activities.

Hello my Tremendous 3's and Fab 4's!

I hope you have all had a lovely spring holiday. Wasn't the weather great? I'm really enjoying being outside in the sunshine and trying to keep up my daily walks. Did you all eat lots of Easter eggs? We had our Easter egg hunt in the garden and decorated some boiled eggs and rolled them down the hill. However, as you all know, Mrs. Mitchell's 'cooking' isn't the best and I boiled the eggs for a bit too long so when we tried to crack them on the hill they just would not smash! My children were not happy with me! I hope you are managing ok with some of the home learning and if you need any help you can email me on GLOW. I'm enjoying looking at all your Twitter photographs and the video some of you made was fantastic! Keep them coming! I'm really missing all your cheery faces and especially missing catching up on our weekend news so please keep me posted with your weekly news writing on Twitter.

I hope to see you all soon but until then stay safe.

Love Mrs Mitchell xox
