

Home Learning for Primary 3

27th April to 1st May 2020

Literacy and English

- Carry on revising your common words using spelling strategies.
- Log into **EducationCity**. Using the **search content** enter the numbers below to find your activities.

Code	Title	Recent Reading Book Title
27909	Homophones Home	For everyone in P3.
26852 and 29582	Hedgehog and Mouse	For everyone in P3.
28839	Homophones Home Activity Sheet	The Hare and the Tortoise and Poppet
33465 and 5552	Damp Tent	Plant Traps and The Mermaid books

- Attached is an acrostic poem worksheet called Together. Try to create a poem about when you are together again with your friends and family. Remember to use WOW words to describe your feelings, actions and thoughts about being back together. I have attached an example of an acrostic poem to help you.
- Keep reading. Remember it doesn't have to be a book. Comics and stories to read on the internet count too.

Maths and Numeracy

- Continue revising your times tables. Ask someone to time how quickly you can recall the facts.
- **Topmarks** Daily 10 challenge.
- Go on to **Super Movers** and revise your tables or start to learn a new one.
- Money work on **EducationCity**. Again use the **search content**. Try them all. Some will be revision and some may make you think. **33024** "Till Me Meet Again" and **2205** "Money". Try both "Money" activities.
- Attached are some money worksheets. Again, some will be revision and others may make you think. Have a go at all of them.

Topic

- Over the next 2 weeks, you have a challenge to research your own personal topic. It can be about anything you are interested in. It could be about a country or animal. Perhaps a famous person such as an inventor/explorer or a time in history. Maybe you're interested in aeroplanes or ships. It is your choice. You could present your work as a poster or make a leaflet. Remember to include headings to write your information under and drawings as part of your poster/leaflet.

Other Curricular Areas

- Coding Games <https://hourofcode.com/uk/learn>
- Sing along with Fischmusic. Maybe have a dance too or make up some new actions to the songs.

Hi Everyone. Did you all have a great Easter? I'm sure you've all been working hard on your home learning and enjoying being out in the sunshine too. I really miss seeing your faces and hope you're all still smiling. Take care and stay safe.

Ms Quigley

Remember to check Twitter and the Home Learning Hub on the school website for additional activities.
