

## Home Learning for Primary 5/6

27<sup>th</sup> April to 1<sup>st</sup> May 2020

### Literacy and English

- Go to <https://www.bbc.co.uk/bitesize/dailylessons> and you will find daily lessons in Maths and Literacy, as well as regular lessons in Science, History, Geography and more.

#### Reading

- Jackanory Junior- 'The Monster Crisp-Guzzler.' What would you like to turn into when you eat crisps? <https://www.bbc.co.uk/bitesize/clips/z88rq6f>
- Read for 15-20 minutes every day, write a summary in your own words of the story so far.

#### Writing

- Create a setting for your story/character from last week. Think about the settings in 'The Monster Crisp-Guzzler' (classroom and seaside- you can choose different locations).
- Use this Doctor Who scene montage to get some inspiration <https://www.bbc.co.uk/bitesize/clips/zt242hv>, whilst you watch the clip, make notes on the different settings and create a word bank of what you see, how you feel looking at them and what you might hear or smell?  
<https://www.bbc.co.uk/bitesize/topics/zkgcwmn/articles/zfh6vk7>

#### Spelling

- Choose half of your groups words and copy 3 times each.
- Write 6 sentences including at least 1 of your spelling words in each sentence.
- Choose a strategy and/or game to reinforce your learning.
- If you don't know the meaning of any word look it up in a dictionary/computer etc.

#### Grammar

- Understanding and using alliteration <https://www.bbc.co.uk/bitesize/articles/zf3492p>

## Maths and Numeracy

- A fun quiz to know how good you might be with money and saving.  
<https://natwest.mymoneysense.com/home-learning/>
- Make a poster about 2D shapes. Please include the following vocabulary for your group-

Great White Sharks	squares, rectangles, triangles, circles, pentagons, hexagons, octagons (regular and irregular) parallel, perpendicular, quadrilateral, equilateral, isosceles, scalene, right angled triangles.
Basking Sharks/ Whale Sharks	squares, rectangles, triangles, circles, pentagons, hexagons, octagons (regular and irregular)
Bull Sharks	squares, rectangles, triangles, circles, pentagons, hexagons (regular)

- Good 2D shape information <https://www.mathsisfun.com/shape.html>
- Much more information than you need but a really useful dictionary for shape.  
<http://www.amathsdictionaryforkids.com/MathsChartsPDFs/Geometry.pdf>
- Complete the weekly maths challenge on bbc bitesize, this will test your problem solving skills. Get your family to join in <https://www.bbc.co.uk/bitesize/articles/zfcnscw>
- Remember all the maths games we use in class that you can use to practise all maths concepts e.g. Top Marks, RM Easimaths, Sum Dog, Education City and Timetables.co.uk.

## Topic

### Scottish Parliament

- These websites might still be useful-  
<https://www.funkidslive.com/learn/scottish-parliament/inside-scottish-parliament-2/>  
[https://kids.kiddle.co/Scottish Parliament](https://kids.kiddle.co/Scottish_Parliament)
- Create a KWL grid the for Scottish Parliament. You can fill in the K and W parts now; but, don't fill in the L column until the end of the topic.

<b>K</b>	<b>W</b>	<b>L</b>
What I know	What I want to know	What have I learnt

## Other Curricular Areas

### Health and Wellbeing

- Continue to choose some of the activity sheets provided to keep a diary of daily activities and feelings, over your time at home.  
<https://static1.squarespace.com/static/5e8168e313d5e96dcd22458a/t/5e81bf997d4e8e3187a7ec7f/1585561560856/mylockdownlibrary.pdf>
- Continue your cooking skills by making some rainbow cheese toasties and don't forget to post some pictures on Twitter <https://www.itv.com/thismorning/food/rainbow-cheese-toasties-juliet-sear-recipe>
- Joe Wicks Workout every week day 9am <https://www.youtube.com/watch?v=sX05HHni9Wk>
- I know some of you like listening to GBX, why don't you try one of the weekly GBXercise workouts on his Facebook page.
- The daily mile – walk, jog or run every day for at least 15 minutes to stay active.

### Art

- Draw each day with Deep Space Sparkle, 10am on You tube or Facebook. Drawing guides are available on the Deep Space Sparkle website <https://www.deepspacesparkle.com>

### ICT

- Glow – compose an email to send to a friend, teacher or family member. This could be telling them about some of the things you have been doing, whilst not at school.
- Continue working on Code for Life.

Remember to check Twitter and the Home Learning Hub on the school website for additional activities.
