## Home Learning for Primary 4b $27^{\text {th }}$ April to $1^{\text {st }}$ May 2020

## Literacy and English

Spelling - Continue with your spelling e.g. Use spelling strategies to help you practise your words

## Reading - Continue to read daily.

- Choose a book or a chapter from a book to create a storyboard. Your storyboard must include the 6 main points of the book/chapter. Your storyboard should include 6 pictures and have a couple of sentences underneath each picture explaining the picture/main point.
- Poetry - Make your own shark rhyme. Use the link below to help you and then create your own poem. https://education.abc.net.au/res/i/g.php?url=collection/rhymes/?animal=shark

Writing - Choose one of the following story starters and complete the story.
$>$ The rainbow gave my skin a tickling sensation as I slid down it......
$>$ Nothing here was familiar $\qquad$
$>$ I was finally holding the map.

## Maths and Numeracy

Building on number bonds for addition explored last week, now extend to include multiples of 5 and 50:

- Revise adding any two 2-digit multiples of 5 to make 100 eg $75+25 ; 55+45 \ldots$
- Apply these patterns to multiples of 50 eg $750+250 ; 550+450$...
- Practise adding together any two 3-digit numbers that are multiples of 50 eg $850+150$

Now explore adding any two 3-digit numbers using partitioning. For example: $334+465$
Add the hundreds $300+400=700$
Add the tens $\quad 30+60=90$
Add the units $\quad 4+5=9$
Recombine $\quad 700+90+9=799$

- Use paper and pencil to practise these
- Challenge: Sumdog: - see activity titled Add/subtract to 100 and 1000
- Continue to practise your times tables

## Topic: Earth in Space

To reinforce your learning about the phases of the moon from last week, try one of these ideas and then you could upload a photo onto school's twitter - even if it's you eating your model!!

- 3 models one of which you can EAT!! https://www.youtube.com/watch?v=xTmWItNgnx8
- Simple moon phase viewer: https://www.youtube.com/watch?v=8IQsU YqIWQ

## Other Curricular Areas

- See online activities for exercise routines eg Go Noodle, Jo Wicks ..
- Keyboard Skills - Have-a-go at some of these typing games to help improve speed and accuracy -
- https://www.freetypinggame.net/
- https://rapidtyping.com/online-typing-games.html
- http://www.onlytypinggames.com/
- https://www.doorwayonline.org.uk/

Remember to check Twitter and the Home Learning Hub on the school website for additional activities.
