

Home Learning for Primary 5 - Mr Sullivan

27th April to 1st May 2020

Literacy and English

- **Education City** (Mr Sullivan has set some activities in the Classwork Folder, when you sign into Ed City) There are 3 Literacy activities – Class Act, By the Book, Alligator Alliteration)
- **Writing Task** – As the Class Act activity has a poetry theme. Can you **create** a Poem about Life at Home and your Home Learning.
See **ICT - Google Classroom** below.
- Choose your next Spelling pattern to do some active spelling
- Keep reading for enjoyment

I am thrilled to see so many attempting the Classwork activities. It's getting more difficult to pick Stars of the Week.

Maths and Numeracy

- **Education City** (Mr Sullivan has set 4 Numeracy activities – Fun with Fractions, Light ,Camera, Fraction, Ice Breaker, and Thirds of a Feather) Some are quite tricky!
- **Sumdog** is available
- RmEasimaths, Topmarks and Maths is Fun
- Practise your Times tables at <https://www.timestables.co.uk/>

Topic

- Can you try and visit some of the Greek sites in Satellite view, like we did for Italy. (Holly really recommends the Temple of Zues)
- If you want to upload a picture of your Ancient Greek Mind Maps from last week onto Google classroom, in the Mindmap folder.

Other Curricular Areas

- **Science** - Education City (Mr Sullivan has set a Science activity – Let there be Light)
- **ICT - Google Classroom** – Can you send me your Poems, a slide for each verse might be useful. I have created a folder called **Home Poems**

Remember to check Twitter and the Home Learning Hub on the school website for additional activities.
