**Guide to accessing Google Classroom**

Google Classroom can be accessed in a number of ways.

1. Log in to Glow and click on Woodhead tab then click on the tile on the Launchpad.

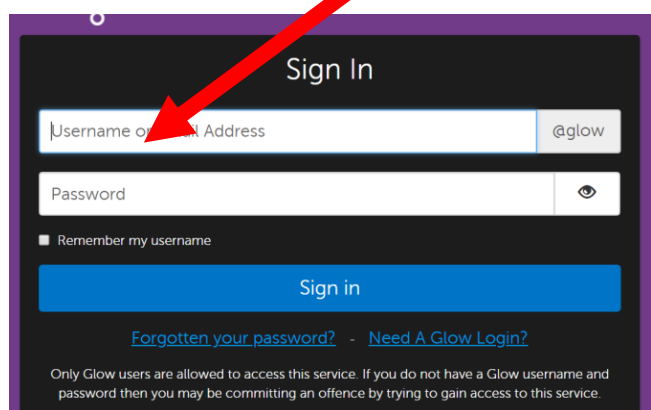

2. Access Google online at https://classroom.google.com/

Enter glow username followed by **@sl.glow.scot** as email address.

For example: gw19bloggsjoe@sl.glow.scot

You will be redirected to the Glow login page. Enter your glow username and password as normal.

3. Download the Google Classroom app onto your tablet or mobile phone. Login to the app in the same way as above (using @sl.glow.scot after your glow username).

For help with usernames and passwords, email gw07asmwoodheadps@glow.sch.uk
