Dear Parent/Carer,

As we approach the end of our first full week back to school, I would like to express my gratitude to the vast majority of parents/carers who are following the guidelines and new routines that we have put in place to make the school as safe as possible.

I would like to reiterate the need to avoid queues forming at the gates in the morning. Please ensure that you arrive after 8.50am, allowing a steady flow of people

Now that the children are familiar with where to go in the morning, please consider allowing those who are old/independent enough to walk in the gates themselves. You could wait at on the other side of the MUGA pitch near the underpass, or on the path at the Torhead gate.

For Primary 1, now that the children are getting used to coming to school, we ask that you begin to stay back from the door in the morning and let the children walk in the last few steps by themselves.

Finally, I must remind everyone the importance of keeping a safe 2m distance at all times in the playground and to follow the strict limit of 1 adult per family entering the playground before/after school.

I appreciate your support by adhering to this important part of our risk assessment.

Yours sincerely,

Mr. Scott Jasnosz-Clark
