Introduction by the Head Teacher

A warm welcome to Woodhead Primary! Our school handbook has been devised to provide a flavour of our school and we hope you find the information useful as you join our Woodhead Primary community.

Our team work closely together to ensure your child has a positive, happy experience of school life and we are keen to work in partnership with our families to strengthen this experience further. We have high expectations and work hard to ensure pupils are supported and challenged to reach their potential.

Our school values are at the heart of our day-to-day work and we encourage the 'Woodhead Way' in classrooms and around the school.

South Lanarkshire Council is the fifth largest authority in Scotland. It covers the following main areas; Clydesdale in the south which features extensive rural areas, Cambuslang, Rutherglen, Blantyre and Uddingston to the north as well as the towns of East Kilbride and Hamilton.

The Council's Plan Connect sets out the Council's vision which is, "to improve the lives and prospects for everyone in South Lanarkshire."

For Education Resources this means delivering services of the highest quality as well as striving to narrow the gap. It is about continually improving the services for everyone at the same time as giving priority to children, young people, families, and communities in most need. The priorities for schools and services are set out in the Education Resources Plan which confirms the commitment to provide better learning opportunities and outcomes for children and young people.

The priorities for all schools in South Lanarkshire are set out on the back page of the handbook.

At Woodhead, our children benefit from a rich curriculum based on the principles of a Curriculum for Excellence (<https://scotlandscurriculum.scot/>) which enables all learners to become successful learners, confident individuals, effective contributors and responsible citizens.

You can find out more about our school on our website at www.woodheadprimary.co.uk or on our Twitter page @woodheadprimary

We look forward to working with you as your child journeys through Woodhead.

Mrs Claire Fox - Head Teacher

January 2025

About Our School

Address: Woodhead Primary School and Nursery Class
Woodhead Crescent
Hamilton
ML3 8TB

Telephone: 01698 457669
Email: gw14woodheadpsoffice@glow.sch.uk
Twitter: www.twitter.com/woodheadprimary @woodheadprimary
Website: <https://blogs.glowscotland.org.uk/sl/woodheadprimary>

Denominational Status: Non-denominational
Educational Status: Co-educational provision for children in Primary 1 to 7.
Nursery Provision: Co-educational provision for children aged 3-5.

Present School Roll: 338 children
Nursery Capacity: 56 children
Gaelic Provision: Not provided

Learning Community: Calderside Learning Community

Parent Council Chair: Mrs K. Mulholland
Contact Details: karenmatthewsot@hotmail.com
Parent Council Website: https://bit.ly/wps_parentcouncil

School Hours		Nursery Hours	
School Starts	9:00am	Drop-Off	8:45am
Morning Interval	10:45am-11am	Collection	2:45pm
Lunch Break	12:30pm-1:15pm		
School Closes	3:00pm		

It may be necessary to dismiss the children earlier than usual due to adverse weather or other emergency situations but notice of this will be given as soon as possible by text message in the first instance. This text message will go to the main contact on our SEEMIS system. This will be followed up with an email via 'Parentsportal' as soon as possible. Advice on procedures during adverse weather is detailed on our 'Adverse Weather' plan. This is available on our website.

School Holidays

A list of South Lanarkshire Council School Holidays is included at the back of this booklet. Details of holidays and In-Service days are also available on the SLC website.

Thing Link Visual Guide to Woodhead

An interactive guide to Woodhead Primary School, created by our Specialist Support Team, can be accessed at <https://www.thinglink.com/scene/1428397058674393091> or by scanning this QR code with your mobile device camera.

Complaints Procedure

We work in partnership with parents/carers and encourage anyone who has a concern to get in touch with the Department Lead by telephone or email via the school office. We welcome all opportunities to assist and support and will work together to ensure concerns are addressed.

Department Leads

Mrs Dowd	Nursery, P1a, P1b, P1/2 and P2
Mrs Mitchell	P3 and P3/4
Mrs Keltie	P4, P4/5, P5, P5/6 and P6
Mrs Fox	P7a and P7b

If a parent/carer is dissatisfied with the outcome, they should contact Mrs Fox in the next instance.

Complaints/concerns can also be made directly to South Lanarkshire Council via their website:

https://www.southlanarkshire.gov.uk/info/200170/comments_complaints_and_consultations/579/comments_compliments_and_complaints_procedure

School Ethos

In Woodhead, we strive to foster an ethos of trust and positivity. We work as a school community and enjoy strong relationships between our families and our staff team. We look forward to you joining us!

Our pupils are at the heart of our school community. Our values encourage pupils to be 'ready, respectful and safe', treating each other as we would like to be treated ourselves.

FRIENDSHIP
DETERMINATION
RESPECT
HONESTY
EXCELLENCE
EQUALITY

These values characterise the ethos we are nurturing in Woodhead Primary. We want our children to feel valued and listened to and, in return, be able to listen to others and respect their ideas, views and differences. We want to promote equality and diversity, whilst developing friendship and teamwork, recognising talents and abilities. Our children will learn about their rights alongside their roles and responsibilities.

We have a fabulous building and enjoy using the space to enhance learning. We recognise achievements both in and out of school and enjoy celebrating success at our assemblies. Our relationships within the wider Calderside Learning Community are strong and this supports pupils during key transitions.

Extra-Curricular Activities

After-school activities and clubs are an important part of our school life. They provide our children with a more relaxed and social atmosphere where they have opportunities to try out new activities and acquire new skills or further develop existing skills. Pupils are also encouraged to participate in a range of locally organised sporting activities including rugby, athletics, football, swimming and gymnastics. We currently have after-school clubs for football, netball and choir. We also run clubs at lunchtime for athletics and BSL. SLLC Active Schools provide further opportunities for sports clubs over the course of the year.

Woodhead Primary School Houses

Every pupil and member of staff belongs to a house for the duration of their time at Woodhead. They can earn house points for displaying the school's core values in their work and relationships. The house with the most points each week is announced at assembly and their house colours are displayed on the House Trophy. Our six houses are named after Owls, as chosen by our parents/carers and pupils.

WE WORK, WE PLAY, WE SUCCEED

Over the course of the term, house points are gathered and, at the end of term, our winning house is announced. A celebratory treat is organised for the termly winning house. We also have a 'house trophy.' Whole school events during the year, such as Sports Days, are organised in our house groups.

Woodhead Primary Pupil Council

We have an active Pupil Council which meets to discuss issues raised by the children. The representatives from each stage are involved in making suggestions and decisions that affect them in their daily school life. This encourages our pupils to become effective contributors and responsible citizens and to work towards making our school a better place.

Our Primary 7 pupils have a leadership role within our school. They share their views and suggest ideas to improve areas within our school.

The Woodhead Team

Head Teacher	Mrs C. Fox (Department Lead for P7)
Depute Head Teacher (Acting)	Mrs. K. Dowd (Department Lead for Nursery & P1 and P2)
Depute Head Teacher	Mrs. J. Keltie (Department Lead for P4-P6)
Principal Teacher (Acting)	Mrs. G. Mitchell (Department Lead for P3 and P3/4)
Primary 1a	Miss Miller
Primary 1b	Mrs Arthur
Primary 1/2	Mrs Orr/Mrs Mitchell

School Support Assistant	Miss F. Hetherington
School Support Assistant	Miss K. Foulds
Janitor	Mrs. Z. McBride
Cook-in-Charge	Mrs. K. Stewart
Cleaning Supervisor	Mrs. C. McCormick

Attendance at School

Every effort should be made to ensure that your child attends school during term time. Please contact the school as soon as possible if your child is unable to attend school. It is important for the school to work with parents/carers in encouraging children to attend school. All absences are required by law to be recorded. Absences will normally fall under two categories – authorised or unauthorised absence. In cases where your child is unable to attend school parents are asked to:

- Notify the school first thing in the morning when your child is going to be absent. Please leave a message on the absence line. Let the school know the reason for the absence, the likely date of return and keep us informed if the date changes. Please do not email the office as this may not be picked up straight away.
- If you know in advance of any reason why your child is likely to be absent from school, then let us know. Phone or advise us in writing. Please also give your child a note on his/her return to school, telling of the reason for absence.
- Inform the school of any change to the following:
 - Home Phone number
 - Mobile number
 - Emergency contact details

Requests for your child to be absent from school to make an extended visit to relatives either in the UK or overseas must be made in writing to the head teacher, detailing the reason, destination and duration of absence and arrangements for their continuing education. On these occasions the pupil will be marked as an unauthorised absence.

Parents may request that their child(ren) be permitted to be absent in order to celebrate recognised religious events. Advance notice should be provided to the school when children will be absent. Appropriate requests will be granted, and the pupil noted as an authorised absentee in the register. (See section 7).

Emergency Information

We strive to keep the school open during term-time. However, there may be instances such as severe weather or power failures that could affect the school day. In such cases, we will inform you as soon as possible through text messages and our social media channels.

Severe Weather Protocol

In the event of severe weather like snow or heavy frost, if the school cannot open at the usual time, we will delay the start until 10 am. Notifications will be posted on social media and the council's website.

Communication

The Council's website, www.southlanarkshire.gov.uk, will provide updates on school closures or delays including further information about the next school day.

Parental Responsibilities

- Inform the school of any changes to your contact details.
- If unsure about the school's status, visit the website www.southlanarkshire.gov.uk or email education@southlanarkshire.gov.uk.

Your Commitments

We ask that you:

- Support and encourage your child's learning.
- Respect and adhere to the school's policies.
- Respect school staff and support the school's commitment to your child's education.

Family Holidays During Term Time

Please ensure your child attends school during term time and avoid holidays during this period as it disrupts education and reduces learning time. If a holiday during term time is unavoidable, inform the school in advance by letter.

Holidays during term time will be marked as unauthorised absences, except in exceptional circumstances where parents can demonstrate the inability to obtain leave during school holidays. Unexplained absences will be recorded as unauthorised.

Encouraging School Attendance

We believe that regular school attendance is key to raising attainment and achievement. It's a shared responsibility among parents/carers and the school to emphasise the importance of attending school.

For your convenience, school holiday dates and in-service dates can be found on the council's website:

www.southlanarkshire.gov.uk.

Attendance is a priority across our Learning Community schools.

Parental Involvement

The Scottish Schools (Parental Involvement) Act 2006 offers guidance for education authorities, Parent Councils, and others.

Parentzone [Parentzone Scotland | Education Scotland](#) provides resources for parents and Parent Councils, and the National Parent Forum for Scotland offers additional information at www.npfs.org.uk.

Parental Involvement/Parent Council

South Lanarkshire Council values parents as partners in their child's education and has published a strategy called 'Making a difference – working together to support children's learning', available on the Council's website:

www.southlanarkshire.gov.uk/downloads/file/13457/parents_as_partners_-_strategy_2019

The Importance of Parental Involvement

- Parents, carers, and family members are the most significant influences on children's lives.
- Children spend only 15% of their time in school between the ages of 5 and 16.
- Research shows that parental involvement in learning leads to better outcomes at school and in life.

Our Aims for Parents/Carers

- To be welcomed and involved in the life of the school.
- To be fully informed about their child's learning.
- To be encouraged to contribute actively to their child's learning.
- To be able to support learning at home.
- To be encouraged to express views and participate in discussions on education-related issues.

Parent Forum and Parent Council

- Every parent with a child at school is automatically a member of the parent forum.
- The Parent Council is a formal group with a constitution that acts as the Parent Voice of the school.

Getting Involved

To learn more about becoming a parent helper or joining the Parent Council and/or Parent Teacher Association, contact the school or visit our website.

A guide on the role of a Parent Council, created by parents for parents, is available via this link [Parent Councils](#)

Parentzone Scotland

- A unique website for parents and carers in Scotland, offering information from early years to beyond school.
- Provides up-to-date information about learning in Scotland and practical advice to support children's learning at home.
- Offers more detailed information on additional support needs
- Explains how parents can get involved in their child's school and education.

- Includes details about schools, performance data for school leavers from S4-S6, and links to national, local authority, and school-level data on the achievement of Curriculum for Excellence levels.

Links Between School and Home

We prioritise communication with parents as we recognise the positive outcome that strong relationships can have on our pupils and their learning.

Every week we send a 'What's On in Woodhead' to our families to help with planning and organisation. Each month, a newsletter will keep you up to date with the day-to-day life in Woodhead as well as sharing key information. Each term our class newsletters provide information on learning within classes and this is further reinforced through class Learning Showcases.

Our Twitter page (@woodheadprimary) provides a flavour of activities within our school and is also used to update parents on changes to drop off and pick up in the event of adverse weather. Our website is updated regularly and here you will find key policies and school documents, for your reference.

We provide opportunities for parents to attend workshops and drop-in sessions to support learning at home. Our refreshed homework programme provides parents with a flavour of the learning that is taking place in the class.

We regularly seek the views of our families to support our next steps as a school and we welcome the support of our 'parent helpers.' This takes the form of supporting school trips, helping in and around the school with learning, literacy and the outdoor space. If you are interested in becoming a parent helper, please contact the school office who will advise on the next steps.

Woodhead Primary Parent Council

Every parent with a child at school is automatically a member of our parent forum. The Parent Council is a formal group, with a constitution, and acts as the Parent Voice of the school.

To find out more on how to be a parent helper or a member of the Parent Council and/or the Parent Teacher Association contact the school or visit our website.

Our Parent Council meets approximately once per month and makes a valuable contribution to the life and ethos of Woodhead Primary. They support the work of the school and help us to identify improvement plan priorities. We seek their views on a wide range of issues and benefit from their perspective as parents. The school, Parent Council and PTA enjoy very positive relationships and work well together for the good of our school community.

Further information can be found at

https://blogs.glowscotland.org.uk/sl/woodheadprimary/?page_id=780

Parent Teacher Association

The PTA in Woodhead is very active and works hard to fundraise and support the school in many ways. They organise regular fundraising activities to benefit our pupils and purchase extra resources to enhance our children's learning environment.

Over the years, the PTA have fundraised to help support the cost of transport to outings and sporting events, fund Christmas pantomimes and events, and purchase additional resources to support learning. They run various successful events and we look forward to many more!

We are always looking for new members to join the PTA. It is an enjoyable and rewarding way of actively helping the school and our pupils. If you wish more information or you can help in any way, please contact the school office.

Homework

Homework is given out in class on a weekly basis. This work will reflect current class work, generally maths and numeracy, reading and spelling, or perhaps revision work prior to beginning a new topic/theme in class. Homework will always be explained to pupils in advance and parents will be provided with a diary for support. Further information and guidance will be issued to parents during the school year on curriculum developments and learning and teaching approaches. This should also provide opportunities for you to work with your child to reinforce learning at home.

The Curriculum

Curriculum for Excellence is the name given to the curriculum in Scotland for all children and young people aged 3-18. It is forward looking, coherent, flexible and an enriched curriculum that provides young people with opportunities to engage with the knowledge, skills and attributes they will need to flourish in life, learning and work.

The curriculum places learners at the heart of education and at its centre are four fundamental capacities - successful learners, confident individuals, responsible citizens, and effective contributors. It includes all of the experiences that are planned for children and young people to support the development of their skills, wherever they are being educated, for example in the family and community, pre-school centre, nursery, and school.

In taking this forward our school will work closely with South Lanarkshire Education Resources and other services to enrich the curriculum, to provide the best possible education for all children and young people. We wish you to feel confident that your child is encouraged and supported to develop their literacy, numeracy and other skills whilst they attend our school. The curricular areas are as follows:

- Expressive arts
- Languages and literacy
- Health and wellbeing
- Mathematics and numeracy
- Religious and moral education
- Science
- Social studies
- Technologies

If you want to know more about Curriculum for Excellence, please visit [Scotland's Curriculum for Excellence \(scotlandscurriculum.scot\)](http://scotlandscurriculum.scot)

Our learning and teaching activities are based on the outcomes and experiences in the guidelines that all schools have for Curriculum for Excellence.

Level	Stage
Early	The pre-school years and Primary 1 or later for some.
First	To the end of Primary 4, but earlier or later for some.
Second	To the end of Primary 7, but earlier or later for some.

Spiritual, Social, Moral, and Cultural Values (Religious Observance)

Rights of Parents / Carers

Scottish Government Ministers consider that religious observance complements religious education and is an important contribution to pupils' development. It should also have a role in promoting the ethos of a school by bringing pupils together and creating a sense of community.

Parents may request that their children be permitted to be absent in order to celebrate recognised religious events. Advance notice should be provided to the school when children will be absent. Appropriate requests will be granted and the pupil noted as an authorised absentee in the register.

There is a statutory provision for parents to withdraw children from participation in religious observance. This right of parents' wishes will be respected. Where a child is withdrawn from religious observance, schools will make suitable arrangements for the child to participate in a worthwhile alternative activity.

Equalities

Integral to this guidance is the principle of mutual respect. The diversity of belief and tradition provides an ideal context in which pupils can learn about, and so learn from, what is important in the lives of themselves and others. South Lanarkshire's guidance recognises and welcomes diversity and promotes respectful understanding.

Assessment and Tracking Progress

We want to share with you how your child's learning is progressing. We do this through on-going formative assessment, which is planned by Class Teachers as part of the learning and teaching process.

Teachers identify 'bundles' of experiences and outcomes from the Curriculum for Excellence, making links within and across areas of the curriculum. Learning intentions and success criteria are identified and, from this information, assessment activities are planned which takes account of what the children can do, write, say and make.

Teachers gather information on pupil progress in a range of ways:

- through observations of the children's learning.
- by questioning the pupils in lessons to gauge their understanding.
- by reviewing, marking and providing feedback on children's written work and jotters.
- Through the use of summative assessments such as P1 baseline testing, reading benchmarking and MALT assessments in Numeracy.

Teaching staff meet termly with Departmental Leads to discuss progress and achievement. Information on how your child is progressing will be shared through report cards and parent consultations. If your child requires further support for any reason, the Department Lead will telephone and meet with you to keep you up to date.

Reporting

Reporting will be ongoing and comprise of a range of activities which can include children presenting their learning at learning showcases, class newsletters, and more formal reports.

We will provide parents with reports so that you can see what your child is doing and how they are progressing. In addition, there will be parent consultations which provide the opportunity to discuss how your child is progressing and how you can contact the school if you wish further information. The school will offer you an appointment time so that you can visit in person to discuss your child's education.

Our progress and achievement reports will help you to get to know more about the curriculum which each child follows and will describe their strengths, achievements and areas for development so you know what encouragement and support you can give.

We welcome any comments or additional information from parents to help us provide the best possible education for your child.

We are always willing to discuss matters of concern with parents but ask that you contact the office to arrange a suitable time, as it is not always possible for departmental leads and class teachers to be available during the school day.

Enrolment and Transitions

Enrolment – how to register your child for school.

To register your child for school you should complete our online registration form. This can be done using the South Lanarkshire website.

www.southlanarkshire.gov.uk/info/200186/primary_school_information/392/enrolling_your_child_for_school

If you have any difficulty in identifying your catchment school, please email Edsuppserv.helpline@southlanarkshire.gov.uk

The online registration form will ask you to provide each child's full birth certificate and two pieces of recent official documentation both containing your permanent home address for example a utility bill, council tax statement, housing rent card, child benefit documentation.

Proof of where the child lives may also be needed.

If your child is due to start school in August 2025, you can enrol online from Monday 6 January 2025. Your catchment school will contact you between Monday 13 to Friday 17 January 2025 to confirm your enrolment.

If your child attends the nursery of your catchment school, please do not assume that they will automatically be transferred. You must register them as normal at the school that is in the catchment area for your home address

If parents want their child to go to another school, they must enrol in the first instance with their catchment school and intimate that they wish to make a placing request. An online placing request form is available from the SLC website – www.southlanarkshire.gov.uk or by [contacting edsuppserv.helpline@southlanarkshire.gov.uk](mailto:edsuppserv.helpline@southlanarkshire.gov.uk) or phone **0303 123 1023**.

Change of School/Placing Request

Normally children attend the school in their catchment area. However, there are times when parents may wish their children to go to other schools. If you wish your child to go to another school, then you may make what is known as a 'placing request'. If you live in South Lanarkshire and decide to submit a 'placing request', we are unable to reserve a place in your catchment school until the Council have made a decision on the 'placing request'. Please note if your 'placing request' application is unsuccessful and all places at your catchment school are filled you will be offered a place at the next nearest appropriate South Lanarkshire School.

Please note that if an application for a 'placing request' is successful then school transport is not provided.

If you move out with your catchment primary school a 'request to remain form' must be completed. If you move out with your catchment primary, this may affect your right to transfer to the associated Secondary School. Please note the secondary

school is determined by the pupil's permanent home address and chosen denomination. If you require further information, please contact Education Support Services on edsuppserv.helpline@southlanarkshire.gov.uk or **0303 123 1023**.

Transition from primary to secondary school

Pupils normally transfer from primary to secondary school between the ages of 11½ and 12½, so that they will have the opportunity to complete at least 4 years of secondary education. Arrangements are made by the school to transfer children to the associated secondary school as determined by their home address. Parents of P7 children will be informed of the transfer arrangements made for their child to attend secondary school.

We will also provide you with information at this time on events designed to support P7 children before they move on to secondary school.

Support for Pupils

Getting it right for every child.

Getting it right for every child (GIRFEC) supports families by making sure children and young people can receive the right help, at the right time, from the right people. The aim is to help them to grow up feeling loved, safe and respected so that they can realise their full potential.

Most children and young people get all the help and support they need from their parent(s), wider family and community but sometimes, perhaps unexpectedly, they may need a bit of extra help. GIRFEC is a way for families to work in partnership with people who can support them, such as teachers.

If you have any concerns about your child's wellbeing, you can speak to the named person who will work with you to provide support and decide how to move forward. Your school will let you know who this is. It is likely to be the Head Teacher in a primary school and a principal teacher (pupil support) in Secondary.

More information can be found on: www.scotland.gov.uk/gettingitright

Support for All (Additional Support Needs)

A child may require additional support at some point in their school life. This can be for various reasons, eg. bereavement, changes to family circumstances, a learning barrier or health concern/ illness. Mrs Keltie is the Co-ordinator for ASN. Through close liaison with the class teacher and parents, children will be identified for additional support through observation, class work and assessment.

The teacher may make provision within the classroom environment to reinforce work which has previously been taught. The child may work with a School Support Assistant to support them with their concentration or to reinforce skills.

Sometimes the advice of the Area Specialist Support Teacher and/or Educational Psychologist is sought to ensure your child's needs are being met. Where appropriate, and beneficial to the learner, an Additional Support Plan (ASP) may be created. Specific learning targets are set and reviewed on a regular basis. Parents

will always be kept informed of progress through discussion with the Class Teacher, parents' meetings, multi agency meetings and arranged reviews.

'Enquire' is funded by the Scottish Government to provide information on the framework for supporting children who require additional support for learning and to encourage positive partnerships between families, schools and local authorities to ensure children get the right support.

Enquire – the Scottish advice service for additional support for learning

Enquire offers independent, confidential advice and information on additional support for learning through:

Phone Helpline: 0345 123 2303

Address: Enquire
Children in Scotland
Rosebery House
9 Haymarket Terrace
Edinburgh
EH12 5EZ

Email Enquiry service: info@enquire.org.uk

Advice and information is also available at www.enquire.org.uk

Enquire provides a range of clear and easy-to-read guides and fact sheets including The parents' guide to additional support for learning.

Attachment Strategy for Education Resources

Attachment – what we do to support children and young people

South Lanarkshire Council Education Resources is committed to improving outcomes for children and young people by creating emotionally supportive learning experiences in our nurseries and schools.

The Education Resources Attachment Strategy supports the action in the 'Getting it Right for Every Child in South Lanarkshire's Children Services Plan 2021-23', following the launch of the Attachment Strategy in 2020, to provide staff training in Attachment and Trauma based practice.

What does it set out to do?

The aim of the strategy is to promote better experiences of attachment for South Lanarkshire's children and young people and to ensure that all education practitioners understand the importance of attachment and its application and how positive relationships can make a difference to outcomes.

How can I find out more?

South Lanarkshire Council Education Resources have published a series of leaflets and posters for establishments and for parents/carers which aim to share information on attachment theory and on how this can inform the ways in which we support children and young people.

These are available from schools and on the SLC Staff Learning Centre Sway accessible by teachers and staff.

School Improvement

The school's agenda for improvement is set out annually in the School Establishment Improvement Plan. This is contributed to by our Parent Council and our school team. In the spring of each year we evaluate progress and identify and agree our priorities for the following session. Copies of the plan are available for the school community to view on the school website and we always welcome support in implementing our priorities for improvement.

Literacy, Numeracy and Health and Wellbeing remain high on our agenda. Our priorities are:

Literacy

- **Further embed 'Talk for Writing' to increase pupil attainment and engagement in Writing lessons.**
- **Provide further training opportunities for all teaching staff to increase consistency in approaches across all classes.**
- **Focus on assessment of writing to impact the tracking of attainment in writing across the school.**
- **Introduce Pie Corbett's reading spine at Early Level.**

Numeracy

- **Further embed the use of 'Concrete, Pictorial, Abstract' approach to teaching mathematics with the inclusion of 'Verbal' component into teaching and learning (VCPA).**
- **Introduction of 'fluid groups' to teaching in Maths and Numeracy to provide appropriate support and challenge.**
- **P3-P7 pupils engaging in 'blogging' activities to support their learning. P1-P2 pupils engaging with floor books to support their learning.**

Health and Wellbeing

- **Develop our outdoor space, with support from OPAL, to provide opportunities for rich play experiences during learning and social times within the school day.**
- **Build capacity in learning for sustainability and the UNCRC (United Nations Convention on the Rights of the Child) across all stakeholders.**
- **Improve readiness to learn and impact attainment and attendance as a result of improved outdoor experiences.**

As a Learning Community, we have a 'Equalities and Diversity' School Improvement Priority:

- **To develop a consistent learning community approach and shared understanding of equalities and diversity.**

Our Nursery Class are working on the following priorities:

- **Increase family engagement through online learning journals, 'Stay and Play' sessions.**
- **Introduction of Parent Forum to build on relationships within the Nursery and home.**
- **Provide opportunities for families to gain an insight into their child's engagement, social skills and motivation.**
- **Provide opportunities for families to develop an understanding of how to support Early Level learning at home.**

Woodhead Primary School and Nursery Class was visited by a team from HMle Inspectors from Education Scotland in February 2020.

The full report is available on the Education Scotland Website at <https://education.gov.scot/education-scotland/inspection-reports/>

School Policies and Practical Information

School/Nursery Meals

Nursery class

All children attending a local authority nursery will be provided with a free lunch. In addition, if your child attends long mornings or afternoons e.g., over 4 hours 30 minutes they will be provided with a 'brunch' or 'afternoon tea'.

Nursery lunches and snacks are based on nutritional requirements from the NHS "Setting the Table" guidance.

Nursery age children will also receive milk and a healthy snack free of charge under the Milk and Healthy Snack scheme 2021. This will be provided by the establishment.

Primary pupils

Healthy eating is something that the school supports, and a range of meals are available at lunchtime that meet the Nutritional Requirements for Food and Drink in Schools (Scotland) Regulations 2020.

All primary schools run a Breakfast service from 8.15am to 8.45am with pupils being offered a selection of toast, cereal or fruit along with a cup of milk.

For their lunch each day pupils have the option to choose from four meal options everyday. These are all served with vegetables or side salad. All meals also come with fresh chilled drinking water, salad selection, seasonal fruit and depending on the day - soup or a dessert.

Milk will be available for those pupils entitled to free school meals through the free school meal eligibility scheme at morning break or lunchtime.

Pupils in:

Primary 1 - 5 receive a free school lunch.

Primary 6 - 7 meal cost is £2.17.

School lunches and milk can be paid for through your Parentpay account or Paypoint facilities in local shops.

NB School Meal prices are reviewed annually and may be subject to change

Adapted diets

If your child within Nursery, Primary or Secondary requires an adapted diet for medical reasons please speak to the school/nursery office who will provide the request form for you to complete. In addition, if you have a halal or vegan diet

request for your child, please speak to the school office who will provide you with a request form.

Free School Meals

Children of parents who receive the following benefits are entitled to a free lunchtime meal for their child:

Income Support, Universal Credit (where your take home pay is less than £796 per month), Job Seeker's Allowance (income based), Employment and Support Allowance (income related), Working Tax Credit and Child Tax Credit (where your gross annual income does not exceed £9,552 as assessed by the HM Revenues and Customs), Child Tax Credit Only (where your gross annual income does not exceed £19,995 as assessed by the HM Revenues and Customs) or receive support under Part VI of the Immigration and Asylum Act 1999.

If you are in receipt of Housing Benefit and/or Council Tax Reduction from us there is no need for you to apply online, we will use the information we hold to automatically award free school meals (P6 to S6) and/or school clothing grants (P1 to S6) to eligible families.

We would encourage parents of children who are in receipt of any of the above benefits to take up this opportunity of having a meal provided for their child when they are at school. Arrangements are in place to ensure anonymity is protected of children who receive free meals and we encourage all children to remain in school at lunch time.

A Breakfast Club operates from 8.15am with a selection of cereals and toast available to pupils. Pupils must be in the Breakfast Club by 8.35am in order to have access to food items.

School uniform

Our school colours are grey, green and white and the uniform consists of:

Blazer	Grey
Shirt and tie	White Shirt – School Tie
Polo Shirt	White for gym days
Skirt	Grey or Black and of suitable length and style
Trousers	Grey or Black
V- neck school sweatshirt	Grey

We ask all parents/carers to support the school by encouraging your child(ren) to adhere to the agreed dress code and the wearing of our school uniform. The wearing of a school uniform helps promote the identity of the school in the local community and helps create an ethos of sharing and pride in the school.

In addition, the wearing of a uniform helps towards increasing the protection of all pupils. The wearing of a uniform helps staff and the pupils to distinguish between who belongs to the school and those who may be visitors. This enables staff to approach and identify visitors more readily and helps in trying to offer a safer environment for pupils and teachers alike.

Equality of opportunity is an important aspect of the life of the school. Any proposals on the dress code and on what constitutes the school uniform will be the subject of discussion with the Parent Council and where appropriate consultation with parents, pupils and staff.

There are forms of dress which are unacceptable in all schools such as:

- the wearing of football colours
- clothing with slogans that may cause offence (anti-religious, symbolism or political slogans)
- clothing which advertises alcohol, tobacco, or drugs
- clothing which can be deemed unsuitable in terms of health and safety grounds such as shell suits, combat style clothing, dangling earrings, loose fitting clothes particularly in practical classes.
- articles of clothing that could be deemed to inflict damage on other pupils or be used by others to do so.
- footwear that may damage flooring.

Allergies

Many children in our schools have allergies, and it is crucial for parents to keep the school informed about these conditions.

Health Care Plans

Allergies can manifest at any time with symptoms ranging from mild to severe. Children with moderate to severe allergies often have a Health Care Plan from the NHS, detailing symptoms and interventions. Parents must share this plan with the school and provide updates as necessary.

Mild Symptoms

Even without a Health Care Plan, parents should regularly update the school on any new triggers, medications, or actions required.

Employee Training

School staff need to know your child's symptoms, treatments, and actions required to prevent exposure and minimise the risk of reactions. Employees receive training on allergies and will consult with parents and the NHS for any additional specialist training needed.

Policy Adherence

In supporting children and young people with allergies, school staff will follow South Lanarkshire Council's Safe Systems of Work, risk assessment process, and national guidance on the administration of medicines.

Support for Parent/Carers

Clothing Grant

In certain circumstances the Council provides support to parents/carers for the purchase of school wear. This also now includes nursery children aged 3 and 4 years old.

Applications can be made online at www.southlanarkshire.gov.uk. If you are required to submit evidence of your Tax Credit income or your Universal Credit statement, it is important that all pages of this evidence is submitted with your online application. Should you require further information, or you are unable to submit an application online then please contact the helpline number **0303 123 1011** (option 5).

School hours/holiday dates

School hours		Nursery Hours	
School Starts	9.00am	Drop-Off	8.45am
Morning Interval	10:45am-11am	Collection	2.45pm
Lunch Break	12:30pm-1:15pm		
School Closes	3.00pm		

A list of South Lanarkshire Council School Holidays is included at the back of this booklet. Details of holidays and In-Service days are also available on the SLC website.

School holiday dates and in-service dates are available from the website www.southlanarkshire.gov.uk

School transport

South Lanarkshire Council's mainstream school transport policy provides transport for primary school pupils who live one mile or more from their catchment primary school by the shortest safe walking route.

The calculation on the measurement of distance from home to school is measured using a Geographical Information System (GIS), which is used for all measurements to ensure that Council Policy is consistently applied across the Authority.

More details on school transport can be found at the following link including the online application form:

https://www.southlanarkshire.gov.uk/info/200186/primary_school_information/545/school_transport

If you consider your child to be eligible you should complete the online application form. Forms should be submitted before the end of March for those pupils starting school in August to enable the appropriate arrangements to be made.

A privilege transport scheme is operated on mainstream school contracts where a pupil is not entitled to free school transport. Privilege Transport will only be provided where there is a space on an existing school contract and will be from and to designated pick-up and drop-off points. It will not be provided where a service bus is used on the school run. Any spare capacity will be allocated using agreed priorities. A new application must be made each year.

More details on Privilege school transport may be found here:

https://www.southlanarkshire.gov.uk/info/200186/primary_school_information/784/privilege_transport_to_school

Pick-up points

Where school transport is provided it may be necessary for pupils to walk a certain distance to the vehicle pick-up point. Walking distance in total, including the distance from home to the pick-up point and from the drop-off point to the school in any one direction, will not exceed the authority's distance limit for school transport.

It should be noted that it is the parent's responsibility to ensure their child behaves in a safe and acceptable manner while travelling in, and alighting from, the vehicle. Misbehaviour can result in your child losing the right to school transport.

Parents are asked to note that South Lanarkshire Council does not provide transport for those pupils who attend school via a placing request.

Mainstream School Transport contact details:
Email: school_transport@southlanarkshire.gov.uk
Tel: 0303 123 1023

Insurance for Schools – Pupils' Personal Effects

South Lanarkshire Council has noted an increase in claims for loss or damage to pupils' clothing and personal effects. Please be aware of the Council's insurance policy regarding pupils' personal items:

Theft/Loss of Personal Effects

- The Council is not responsible for the loss or theft of pupils' personal items, such as mobile phones or tablets. These items are brought to school at the pupil's and parents' own risk.
- To prevent loss, please avoid bringing valuable or unnecessarily expensive items to school.
- Staff members are instructed not to take custody of any personal items.
- This policy also applies to musical instruments and other equipment used for school activities. If such items are left at school, it is at the pupil's and parents' own risk.
- For valuable items like musical instruments, parents should ensure they are covered by their own household insurance.

Damage to Clothing

- The Council is only liable for damage to pupils' clothing if it is caused by the negligence of the Council or its employees. Claims for other reasons will not be accepted by the Council's insurers.

Promoting Positive Behaviour

It is the responsibility of staff within the school to ensure that Parent Council members, parents and pupils are involved in the creation of a positive school ethos that encourages good behaviour. Equally, the school whilst trying to promote positive behaviour must support young people should incidents or bullying occur. Parents have a significant role to play in working with the school so that teachers, parents, and pupils know what is expected of them in trying to change the behaviour and attitudes that contribute to bullying behaviour.

Our approach is to create an environment where better behaviour will encourage better learning. The school, along with the support of parents, can work together to create a learning environment which young people can enjoy and feel safe.

Incidents of bullying should be reported to the school immediately so that each alleged incident can be looked at. Together we can work towards creating a safer school for children and staff.

In addition, a guideline (Promoting Positive Relationships and Behaviour) has been produced to support all teaching and support staff and inform them of their roles and responsibilities in respect of dealing with the small number of children and young people who display challenging behaviour. Early identification is crucial so that intervention can be provided to support children and young people to help them address their issues and concerns. Staff training is provided to help develop the skills needed to respond to and manage challenging behaviour. A wide range of appropriate staff development opportunities has been developed for this purpose.

Child Protection

All staff in educational establishments in South Lanarkshire Council receive an annual Child Protection update and are required to follow the advice and guidance contained within relevant Education Operating Procedures. They must also complete a mandatory Learn on Line Course "Child Protection in Education".

South Lanarkshire's children's services partnership works together to support children, young people, and their families so that children grow up in communities where they are safe, healthy, active, achieving, respected, responsible and included, and have the opportunity to achieve their full potential. They are committed to continuously improve our services to ensure children, young people and their families get the right support at the right time.

Sometimes children and young people need additional help to make sure that they are *"cared for and protected from abuse and harm in a safe environment in which*

their rights are respected" (CPC South Lanarkshire Child Protection shared vision). The Child Protection Committee has the overarching responsibility to ensure that agencies individually and collectively work to protect children and young people as effectively as possible.

All staff have a responsibility to report any suspicions that a child has been abused or is at risk of harm, abuse, or neglect. Robust procedures and guidance are in place to support education staff to:

be alert to signs that a child may be experiencing risks to their wellbeing,

report concerns to the head of establishment or the child protection coordinator without delay.

be actively engaged in support and protection and development of wellbeing.

If you would like more information, or have a concern of a child protection nature, please contact the head of the educational establishment which your child attends.

The Child Protection Committee's website has a range of useful information for parents/carers to help them keep their children safe.

General Data Protection Regulation as supplemented by the Data Protection Act 2018 (GDPR)

Information on pupils, parents and guardians is held by the school to enable the teaching, registration, and assessment of pupils as well as associated administrative duties. The information is stored and used as per the requirements of the GDPR, with South Lanarkshire Council defined as the data controller. The Council have established a data protection policy that applies to all of its school. Education Resources has also prepared a privacy notice (below) which sets out how we will deal with personal information as part of our statutory function as an education authority. For more information, please contact the school.

Privacy Notice

Introduction

In line with the General Data Protection Regulation (GDPR) we have produced this privacy notice to inform you how we deal with personal information as part of our statutory function as an education authority.

The Council has a legal obligation to deliver effective education services to children, young people, and adult learners in South Lanarkshire. In order to do this, we need to collect personal information about children, young people, and their families so that we can help them to learn and keep them safe.

Using your personal information

The Council is a “controller” of the personal information you provide when enrolling for a nursery or school, applying for an education service, or participating in groups or activities provided by Education Resources.

Information we collect from you about you and your child at enrolment.

When you enrol for a nursery or school, we ask for the following information:
parent/carer contact details (name, address, phone, email).

the child’s name, date of birth, gender, and address.

information about medical conditions, additional support needs, religion, and ethnicity.

any information you may wish to provide about family circumstances.

Information we collect at other times.

We will also collect information at other times such as when you apply for a benefit, request a services or other support. We will provide an additional privacy notice at these times.

If you apply for an education service or benefit, such as school transport, free school meals, clothing grant, placing request or EMA, we will also ask for personal information as set out above. We will also ask for information about your income for education benefits applications.

If you make a request for additional support such as an educational psychologist or other support for learning, we will ask for more detailed information to allow us to provide the most appropriate support for your family. This may include information about family circumstances or medical conditions.

If there are concerns about your child's wellbeing and/or your child has needs that may require additional support, we will wish to work with you to collect and consider information to enable us to help you get the right support at the right time in line with the Getting it right for every child approach.

We require this information to ensure that children and young people are educated appropriately, supported, and that we take account of their health and wellbeing. We will also ask you to update this information annually and to tell us when there are changes to your details.

Information that we collect from other sources.

As an education authority and as part of our statutory function in accordance with our legal obligations, we receive information from other sources such as the SQA, the NHS or Social Work about you or your child, this includes:

exam results and assessment information.

information about health, wellbeing, or child protection.

Why do we need this information?

We need this information so the Council can ensure it is delivering education services appropriately to all learners:

for the education of children, young people and adult learners.

for teaching, enrolment, and assessment purposes and to monitor the educational progress of children, young people and adult learners;

to keep children and young people safe and provide guidance services in school;

to identify where additional support is needed to help children, young people and adult learners with their learning;

to maintain records of attendance, absence and behaviour of children and young people (including exclusions);

to support children and young people moving on each year from nursery to primary, primary to secondary and when they move or leave school;

to help us develop and improve education services provided for young people, adult learners, or families

In accordance with our legitimate interests as an education authority we will also use your information to create statistical reports.

We will share your information with:

As an education authority and as part of our statutory function in accordance with our legal obligations we will share information with other bodies or parts of the Council, including:

The Scottish Government and bodies such as Education Scotland, Scottish Qualifications Authority, Skills Development Scotland, and other organisations that support children and young people's learning.

Other parts of the Council when required for services such as school meals, school transport, education benefits and with Social work in connection with any child protection concerns we become aware of.

The NHS, to support health initiatives in accordance with the legal obligation on the Council in terms of section 39(3) of the National Health Service (Scotland) Act 1978.

South Lanarkshire Leisure and Culture Limited, where children and young people are participating in sports and leisure activities.

Other schools/local authorities – if a child moves or transfers to another school the Council has an obligation to pass on information with regards to pupil records to the new school/local authority.

You have the right to access your personal information as well as the rights of rectification, erasure, restriction, and the right to object. For information on these rights and how to exercise them or for information about how we manage your personal information, you can get a copy of our full privacy notice from our website: (https://www.southlanarkshire.gov.uk/info/200235/meta/1730/general_privacy).

Our full privacy notice will also provide information on how to make a complaint or to request a paper copy of the privacy notice from the Data Protection Officer.
