P1 Transition...

Our programme of sessions for our new Primary 1 children is now well underway with children and parents coming along to Stay and Play sessions in class, as well as opportunities for the children to spend more time in the school, come along to weekly assembly and have time in the playground. We look forward to welcoming our children and parents/carers to our two-day transition event this week which includes the opportunity to stay for a school lunch.

We hope that our new, enhanced transition process will help support our children and families at such an important time!

...and P7 Transition

This is an equally important time for our Primary 7 pupils as they prepare for their transition to secondary school. We look forward to hearing all about their two-day visit to Lesmahagow High School this week!
