P7 Virtual Information Evening

Dear Parents/Carers,

I hope this letter finds you and your family well.

I write to invite you to our first P7 Virtual Information Evening on **Wednesday, 3rd March at 6:30pm**. This event will be delivered live through **Google Meet** and will provide you with an update on your child's *Journey to Lesmahagow* transition programme as well as relevant information regarding our high school including, transport, S1 curriculum and our school supports. You will also have the opportunity to be introduced to our Senior Management Team and Extended Support Team.

We plan on arranging a second meeting in June, where we will provide more in-depth information in relation to your child starting in August.

Joining Information

The event will be delivered through Google Meet which is the format most of our young people receive live learning through. Unfortunately, those attending the Google Meet must have a Gmail account or you will not be able to access the meeting. This is unfortunately out with our control, but I have provided some basic information below to help you with this.

A link to the meeting and the meeting code will be shared with all parents at the start of next week. We will also ask primary schools to share this information on primary 7 Google Classrooms. However, if you do not receive this information or need further assistance, please contact me on the number or email provide.

We look forward to meeting with you next week and please feel free to have your child join us on Wednesday evening.

Yours sincerely,

David Robertson
Depute Head Teacher

Additional Information – Gmail

Please follow the link below to create a Gmail account:

[Gmail Registration](#)

When joining the Google Meet, it will ask you to sign in. Please use your Gmail account to do this. If your web browser is synchronised with your Gmail account, you should be able to join without the need to login.

Google Meet App

If you are accessing the meeting through the app version of Google Meet, open the app and click on 'meeting code'.

You will need to enter the meeting code which will be shared next week.
