CHANGES

At Balftron High, we are committed to achieving success in all that we do. School uniform has a key part in reinforcing this and setting a positive tone for our learning environment.

Following a consultation with parents, pupils and staff, there will be some changes to our uniform from August. A BHS blazer has been added and pupils should wear tailored trousers or skirts. All skirts must be of an appropriate length (close to knee, as in the pictures).

Wearing the uniform can:

- Contribute to the school security and personal safety
- Instill a pride in the school and contribute to its value
- Promote a positive and professional work ethic
- Foster a spirit of partnership among pupils and staff and between home and school, and between the community and school
- Encourage identity with, and support for, school ethos
- Promote equality of opportunity and social justice
- Protect young people from social pressures to dress in a particular, fashionable or expensive way
- Nurture cohesion and promote relations between different groups of pupils
