

## Tag Rules

- Ask your friends "Who wants to play tag?"
- One person will be "it"
- "It" runs around and tries to tag someone else
- Tagging someone means touching nicely - hitting, pushing or tackling are not allowed
- When someone is tagged, they are now "it"
- When a friend wants to stop playing tag, he tells his friends he doesn't want to play anymore
- When someone wants to stop playing, we stop chasing him
