Dear Parents and Carers

As you will be aware, we have been working with our public health colleagues in NHS Forth Valley to support COVID-19 contact tracing at Balforn High School.

Following an Incident Management Team meeting today, we have taken the decision to move all young people at Balforn High School to remote learning from the end of the school day today (Thursday 17 December) until the end of this term on Wednesday 23 December 2020.

The school is making arrangements to limit the disruption, allowing young people to follow their normal timetable through Google Classroom using their current login details. If any young person is unsure about accessing their classes through Google Classroom, they should contact one of their teachers via email. From Friday morning your child should attend their virtual classes at the normal times.

Further information on COVID-19 including what to do if you develop symptoms and how to access a test is available from NHS Inform: <https://www.nhsinform.scot/illnesses-and-conditions/infections-and-poisoning/coronavirus-covid-19>.

Yours faithfully

Kevin Kelman
Chief Operating Officer (People) & Chief Education Officer
