

Work Placement:

The *Work Placement* Unit is designed to recognise the valuable learning and development which takes place as a result of planning and carrying out a suitable work placement. Learners will have an opportunity to think about their abilities and career aspirations in preparation for their work placement. During the placement learners will negotiate tasks, work with others and carry out a learning project. On completion of the work placement learners evaluate their progress.

On successful completion of the Unit the learner will be able to:

- Prepare for a work placement which will include a learning project.
- Complete the work placement.
- Complete the learning project.
- Evaluate the learning and development that has taken place as a result of the placement and project.
