

## **S3 Art and Design**

This course is suitable for all pupils with an interest in Art and Design, as well as creative individuals. It is suitable for pupils with a general interest in the subject, and for those wanting to progress onto further levels of study. This will allow pupils to consolidate and further extend their Art and Design skills developed through the BGE Curriculum for Excellence experiences and outcomes.

### **Aims**

- identify the creative development potential in their work
- confidently use selected Art and Design materials, techniques and/or technology expressively and creatively when responding to an expressive theme/stimuli and design brief
- produce and critically reflect on the final piece of expressive art and the design solution
- present their work for assessment

In the latter part of S3, pupils will move on from the S3 course to begin studying for their National Qualification in Art and Design. Those who choose to continue with the subject into S4 will then finish the National Art and Design course at National 5 or National 4 level.

**For further advice or information, speak to the Art Department or Mrs Barrie.**
