"Learn and discover, care for each other"

Dear Parents/Carers,

Welcome back to a new term!

School Diary Dates

At the end of today's newsletter, some key school dates have been listed up to the end of the school year. Further dates will be added as other activities and events are able to be confirmed.

Staffing

Mrs Macmillan, Depute Headteacher, will be starting maternity leave after the Easter holidays. The process has started of appointing a temporary Acting Depute Headteacher for the period of April 2025 - April 2026.

We have been pleased to welcome back Mrs Robertson as P2 teacher over the past few weeks. Miss Rennie, who has made a fantastic contribution to our pupils over the past 18 months, will begin teaching in other schools, additional to Balfron PS, from Monday 17th February.

P1 enrolment

We will be holding an information session for parents of all children, within our school catchment area, who are able to start P1 next session. The 'Thinking About P1' evening will be held on Tuesday 11th March at 7:00pm in the primary school.

Organisation of Classes – 2025/2026

The process of organising classes for next session begins this term, based on P1 enrolment figures which remain provisional until placing requests and deferred entries are confirmed.

Stirling Council's 'Organisation of Classes' policy was explained at the recent Parent Council meeting and a copy has been attached as an appendix to today's newsletter.

Composite classes are often required. The decision to create composite classes is taken in the best interest of all children in the school and is also guided by the requirement for our school to make sure that there is capacity to enrol any new pupils who move within the catchment area during the course of next session.

In deciding how to populate composite classes, headteachers will apply the following criteria:

- Each composite class shall have a maximum of 25 pupils as per national requirements.
- The lead factor in determining the population of the class shall be the date of birth of the child i.e. the oldest children from the younger stage join with the youngest children from the older stage. This criterion shall be used because it is unambiguous and transparent: for the purposes of school provision, age is not a 'protected characteristic' in the Equality Act 2010. This means that in relation to the provision of education, schools may lawfully use the criteria of age to organise classes.

- A reasonable balance in terms of gender, where possible.
- The range of Additional Support Needs spread reasonably across classes, evidenced through the Staged Intervention process.

Sensitivity should be given to exceptional individual circumstances related to additional support needs, with opportunities for discussion between home and school in relation to Additional Support Needs.

The overall decision should be made in line with policy and criteria, with the final decision resting with the headteacher, who has knowledge of all children and families in the school.

Plans for how our classes will be organised in session 2025/2026 along with teachers will be confirmed to parents and pupils during the summer term.

Class Community Groups Updates

P5 Inclusion Ambassadors

Last term, as part of national anti-bullying week they presented to the rest of the school. This term, P5 have also had a successful class visit from Enable which helped pupils learn more about disability awareness and discrimination.

The class are also receiving training as Peer Mediators which will result in a group of P5 pupils being equipped to help younger peers resolve arguments and disagreements.

P7 Health

This month, all classes were visited by groups of P7 pupils who shared some of their curricular learning on first aid.

Lunch Clubs

This term, on Tuesdays up to the February mid-term break, P1-P5 pupils have the opportunity to join in organised playground games led by S3 Sports Leaders.

Some of our P7 pupils have also asked to run different lunch clubs for younger pupils during terms 3 and 4 with plans to offer netball, short tennis and chess.

P7 Play

On Wednesday 21st May at 7:00pm P7 pupils will be performing a play to parents/carers as part of their end of term celebrations.
