

## **Braehead Primary Parent Council**

25 August 2017

Dear Parents/Carers

Firstly, a big welcome to all new parents/carers and a welcome back to everyone else! We trust you have had a good summer and that your children are settling into the school routine well.

**This is just a reminder that the Parent Council AGM will be held on Monday, 11<sup>th</sup> September at 6.00pm.**

For those of you who may not be familiar with the role of the Parent Council, we represent all parents and carers with children at Braehead Primary and it's our responsibility to ensure that your views, concerns and ideas regarding your children's learning and development are made known to the school.

The Parent Council is kept updated by the school on any changes/enhancements to the curriculum, the school improvement plan, budget and any new initiatives that are being introduced, and is a great way to keep in touch with what is happening within the school

How can you get involved?

- Parent Forum – All parents and carers who have a child enrolled in the school are automatically a member of the parent forum. This means you have the right to express your views on the education provided by the school as well as other matters affecting the welfare of your children. Speak to a member of the Parent Council or send us an email and we'll pass your feedback on to the school.
- Parent Council – Become a member and be directly involved in decisions regarding the welfare and education of your children. We meet once every couple of months and meetings normally only last an hour.

If you have any questions, please feel free to email us at [braeheadparentcouncil@aol.co.uk](mailto:braeheadparentcouncil@aol.co.uk).

Best wishes

Braehead Primary Parent Council
