Literacy - Writing

Lesson 4 - Write a short paragraph to describe each of the animals that vou drew.

Literacy – Reading

Lesson 1 - Read one of the comprehension exercises which is in 3P section of home learning. Choose which level to complete 1 star, 2 stars or 3 stars. Answer the questions.

Numeracy and Maths

Lesson 7 - Time - the text talks about the clocks changing at spring time. Using a watch or kitchen clock ask someone to help you learn to tell

the time. Use an analogue clock (clocks which have a face) or a digital clock. The games which were mentioned in the first home work grid before the holidays will help. They are on topmarks.

Numeracy and Maths

Lesson 5 - Symmetry Visit topmarks.co.uk and type in symmetry. Complete the tasks to complete a picture to make it

symmetrical – you can do the pictures and also the ones with squares.

If you have squared paper in the house you can create patterns which have 1 line of symmetry.

Numeracy and Maths

Lesson 8 - Data collection If you are able to go outside identify the different types of houses there are in your street e.g. terraced, bungalows, etc. Can you draw each of the different types of houses? You could do a survey of the types of houses in your street and create a graph of your findings (like we did in class with the

HWB / Context

Lesson 6 - Find out :-

Your address

Area /City/Region/Country/Continent you live in.

Use a map to locate all of the above. If you can, print out a map of Scotland and of the world and identify these places on the sheet.

Creativity

Lesson 3 - Choose some of the animals mentioned in the text and do a detailed drawing of them. You Tube has good step by step how to draw for children. Draw with a pencil.

Outdoor / Active

- Walk, run or jog a mile a day
- Learn or practise how to skip with a rope
- If you have chalk draw a hopscotch game on the pavement and have a game of hopscotch with someone in your house.
